## Court Order Permits Unloading Of Fruit RFC UPHELD IN \$14,000,000 ACTION

### WORKERS TO BE HIRED BY U.S. MARSHAL

### CABINET OFFICERS TOLD TO CUT ESTIMATES FOR YEAR AS F.D.R. BEGINS BUDGET WORK

#### 4216 Stems of Bananas To Be Taken Off Ship Despite Strike

LOS ANGELES, Nov. 7.—(UP)—Lederal Judge Paul J. McCormick today issued an order under which U. S. Marshal Robert Clark was authorized to take temporary charge of the steamship California to permit unloading 4216 stems of bananas.

Brokers to Get Fruit

The fruit will be delivered to Otto McAllister and company, fruit brokers, despite the longshoremen's strike, under the federal order.

The order was directed against the International Mercantile Company, the American Line Transport corporation, the Atlantic Transport company of West Virginia (Panama Pacific line), Capt. Robert A. Smith of the California, and several "John Does."

The plaintiffs were required to post \$7500 bond for the protection of the steamship interests.

Pay Union Scale

The marshal was directed to employ such help as necessary to unload the perishable cargo, to be paid on the basis of the union scale in effect at the harbor.

#### 4000 MORE MEN GO ON STRIKE IN S.F.

SAN FRANCISCO, Nov. 7.—(UP)—A waterfront fight resulted in the death of Elmer Koppen, 38-year-old striking seaman, today and caused exultation on San Francisco's strike-closed waterfront for a time, but police officials said investigation showed the affray was not connected with the maritime walkout in any way.

The embarrased death came as 4,000 additional men went on strike in the San Francisco bay area. They were members of the boilermakers' union. Their walkout, resulting from a wage dispute, closed the Bethlehem Ship Building corporation plant and Union Ironworks.

Koppen was a member of the Sailors' union of the Pacific, William Bonilla, a member of the International Longshoremen's association, was arrested and held for murder in the case. Both men were strikers. Police said the affray occurred in a waterfront saloon.

#### MCGRADY TO CONTINUE EFFORTS TO END STRIKE

WASHINGTON, Nov. 7.—(UP)—Secretary Frances Perkins of the labor department said today she does not anticipate requesting President Roosevelt to intervene personally in the present maritime strike or to appoint a special mediation board to bring about a settlement.

Miss Perkins said she had full confidence in the ability of Edward F. McGrady, assistant secretary of labor, to conduct all settlement efforts in San Francisco, the center of the spreading walkout.

The secretary cited the following developments in the maritime situation:

Says Ship To Sail

She believed the steamship American Legion, destined to sail from New York with Secretary of State Cordell Hull and a delegation to the Pan-American peace conference.

Shadow Boxing Charged

He charged the "steel barons" are "shadow boxing with their self-created company unions in an attempt to mislead the steel workers and the public to believe they are bargaining collectively with their employees."

Lewis particularly attacked that part of the wage agreement which makes the cost of living index as of July 15, 1936, the basis of wage increases. He said present wages are frozen at a sub-standard level.

By gauging the wage scale on the cost of living index, the worker, Lewis said, is bound "forever and always" to the present unequal relationship between wages and the cost of living.

(Continued On Page 2)

#### GOVERNMENT NOT TO SEIZE FORTUNE

SAN DIEGO, Cal., Nov. 7.—(UP)—Deputy Sheriff Chester Gracie today prepared for a trip early next week through San Diego county's desolate back country to run down the latest clue in the search for the long missing Justice Joseph F. Crater.

Gracie returned late last night from a sudden trip to Julian, where he found a third clew in as many days indicating that Crater may be somewhere in the desert of San Diego county.

The offices reported that C. R. Gilliland, who was in charge of reconstructing the historical Butterfield stage station on the Mountain Springs grade, identified a picture of the missing former New York supreme court justice as the man who seen months earlier had stopped at the station en route to the back country.

Gracie said Gilliland told him the man spent four hours at the station with him and told him he was heading for the back country beyond Jacumba on a prospecting trip. Gilliland said the man told him he was going out where he could be by himself.

#### 3 MEN HELD ON LOTTERY CHARGES

SAN ANTONIO, Tex., Nov. 7.—(UP)—Customs officials turned their search for lottery operators in the direction of El Paso today following the arrest here of three Los Angeles promoters of the International Sweepstakes corporation on charges of importation and sale of lottery tickets.

The agents revealed that 15,000 tickets on the Santa Anita Christmas day handicap had been found in an El Paso shop and that the operator of the shop is now being investigated.

The Los Angeles men arrested were Frank N. Thayer, Ed F. Hayes and Walt Olsen, U. S. Commissioner Paul Lockhart set Thayer's bond at \$3500, Hayes' at \$2500 and Olsen's at \$500.

#### NOT TO SELL CAPONE HOME

MIAMI, Fla., Nov. 7.—(UP)—Sale of the Miami Beach estate of Al Capone, imprisoned former Chicago gang czar, was ordered cancelled today when the internal revenue office here was advised the liability has been taken care of.

Clifford Magone, representative of the attorney general's department, yesterday requested Justice W. E. Middleton, at the hearing into the validity of the will which started the strange race on October 31, 1926, for a five weeks' stay. Magone advised the attorney general "might" adopt the stand the baby race was against public policy, and he intimated action to break the will might follow. Justice Middleton refused the request.

The estate was in the name of his wife, Mrs. Mae Capone, who has maintained it since Capone started a 10-year penitentiary term for income tax evasion in 1932. In addition to the back taxes—for the four years ending with 1929—there was interest to be paid.

#### FASCINATING NEW FEATURE STARTS IN REGISTER MONDAY

In Monday's issue, the Register starts a new feature. It is an entirely different feature from any now running in the Register and has a very rare combination. It is entertaining, refreshing, exciting and, at the same time, educational and a character builder. Seldom do such combinations exist. It delights both youth and age—another very rare combination.

It will appear daily on the comic page under the heading of "Little Orphan Annie." It is not, in reality, a comic. It is more of an exciting, continuing story, although it has many clever witticisms.

We believe that the readers, both young and old, whether they are in the habit of reading comic strips or not, will enjoy this strip and anyone who starts reading it will continue reading it.

As an example of what the publisher of The Register thinks of this strip, we quote from a letter written to the creator of the strip, Harold Gray, on August 14, 1935, before we knew the strip was available for Santa Ana. In this letter to Mr. Gray, in which we asked him to send us several complete copies of an escape in which Little Orphan Annie was involved, we made this statement:

"It seems to the writer that you are preaching a greater lesson to the American people than any editor in the United States." The reason he is doing so much good is because he makes his points so interesting and as a result gets

#### G-MEN CAPTURE REP. HOEPPEL, SON

WASHINGTON, Nov. 7.—(UP)—Rep. John H. Hoeppel, D., Cal., and his son, Charles, convicted of conspiracy to sell a West Point appointment, were captured early today by department of justice agents in Richmond, Va.

At the present, Little Orphan Annie is selling flowers with an elderly lady in the clumps of a big city. The elderly lady, with whom Little Orphan Annie is living, has been very prominent and rich in the past but is now making her living by selling flowers. The author puts wise remarks in the mouth of the flower vendor.

Whether you have ever read a comic or not, turn to the strip, Little Orphan Annie, and read it a few days so that you are sure you will not be missing something the will entertain you, amuse you and help fill you with courage, kindness and good judgment.

## CLAIM WHITE FLAG FLYING IN CAPITAL

Spanish Embassy Admits Insurgents Two Miles From Royal Palace

BULLETIN

LISBON, Nov. 7.—(UP)—The Radio club reported at 6:30 p.m. (1:30 p.m. EST) that "the white flag of surrender has been raised over the ministry of communications in Madrid."

BULLETIN

LONDON, Nov. 7.—(UP)—The Spanish embassy tonight said rebel forces hammering at the gates of Madrid had reached the Casa Del Campo, immediately across the Manzanares river from the Palacio Real (royal palace). (Casa Del Campo is about two miles from the center of Madrid).

LOYALISTS PREPARED FOR FIGHT TO FINISH

MADRID, Nov. 7.—(UP)—Gen. Jose Mijia today took charge of the last frantic defense of Madrid as the rebels stormed the city. He assumed supreme authority in the capital after the civil government fled to Valencia.

New Base Established

Gen. Sebastian Pozas, chief of the Loyalist forces in the center of Spain, was reported to have established his base at the important railroad junction of Alcazar De San Juan.

News of the transfer of the civil government was not generally known in Madrid, which continued to be quiet and normal, although tension increased.

Russians Depart

Russian Ambassador Marcel Rosengren and his staff left the city and established an embassy "outside" of Madrid."

A war committee took charge of the capital and turned its 4000 apartment houses into fortresses for a final fight.

An intense cannonading of the Nationalist positions outside the city proper slackened during the morning hours and at 11 a. m. (6 a. m. EST.) there was heard only occasional shelling.

Americans At Embassy

The American embassy, with Eric C. Wendell, chargé d'affaires, in command, began to receive Americans and was prepared for a siege with enough provisions to maintain 100 persons for two weeks.

Families of Spanish members of the embassy moved into the legation along with American citizens. Other foreigners sought their own embassies and legations—which in addition, in the case of the Latin American nations, sheltered

#### Beach Jewelers Given Sentences

SAN FRANCISCO, Nov. 7.—(UP)—George and Lawrence Sullivan, Long Beach, Cal., jewelers, today were sentenced to serve 18 months in a federal prison for aiding a San Francisco bank official misappropriation of funds of the Pacific National Bank.

The brothers were charged with selling jewelry to navy men and selling the installment contracts to other companies. When the purchasers failed to meet installments, the Sullivans assertedly influenced George F. Byrne, assistant trust officer of the bank, to issue checks to contract holders.

Deputy District Attorney Eugene D. Williams ordered investigators Jack Southard and Everett Davis to check "new evidence" the nature of which Williams refused to divulge. Williams declined to comment beyond the bare announcement that the two defendants were

(Continued On Page 2)

#### CHECK EVIDENCE IN SIEVER CASE

LOS ANGELES, Nov. 7.—(UP)—The ambush murder of Dr. Leonard Siever, socially prominent young dentist, which has remained unsolved despite three years of perodic investigations, was declared "open" again today by the district attorney's office, as it assigned two investigators to the case.

Deputy District Attorney Eugene D. Williams ordered investigators Jack Southard and Everett Davis to check "new evidence" the nature of which Williams refused to divulge. Williams declined to comment beyond the bare announcement that the two defendants were

## POPE ORDERS NUDES PAINTED

VATICAN CITY, Nov. 7.—(UP)—The Vatican announced today Pope Pius XI had ordered draperies painted on several nudes of Michaelangelo's famous frescos in the Sistine chapel, considering them daring and offensive to Catholic morals.

Biagio Diagetti, artist, has mounted an immense scaffolding and started painting flowing veils and draperies around parts of the nudes and expects to finish his task shortly before Christmas.

Pope Paul III in the 15th century ordered Daniele da Volterra to paint over nudes comprising Michaelangelo's "Universal Judgment," also in the Sistine chapel.

The nudes have remained uncovered since Michaelangelo painted the frescos in 1512.

#### WAGES OF STEEL EMPLOYEES BOOSTED

PITTSBURGH, Nov. 7.—(UP)—Wage increases averaging approximately 10 per cent were granted 23,000 employees of the National Steel Corporation effective the middle of this month.

The increases were announced by E. T. Weir chairman of the board of directors and will include all employees of National Steel and its subsidiaries.

CLEVELAND, O., Nov. 7.—(UP)—Republic Steel corporation today announced wage increases for 5500 employees in the Cleveland district.

H. B. Carpenter, manager of the company's Cleveland district, said the raise will amount to at least 5½ cents an hour for each of the 5500. In some cases it will be more, he said.

# Santa Ana Christmas Festival To Start On Dec. 5

## STREETS WILL BE DECORATED THREE WEEKS

December 5 has been set as the opening date for Santa Ana's annual Christmas festival, according to Phil M. Brown, general chairman of a committee representing the Retail Division of the Santa Ana Chamber of Commerce and the Business Men's association.

The fests will start at approximately 7 p.m. when all the merchants in the downtown area open their specially decorated stores for the first showing of Christmas merchandise. At the same time Santa Ana musical talent will start the presentation of a program including carols and other Christmas music.

According to Brown today 17 blocks of the business district will be more elaborately decorated this year than for any Christmas festival in the past. Every light post will have a silver tipped fir tree, lavishly decorated with lights and, for the children, a toy soldier standing 16 feet high and mounted on a replica of an alphabet block, will be mounted on the middle lamp post in each block.

At a meeting of the special committee yesterday it was decided to broadcast the opening and subsequent musical programs, during the festival, from the top of the First National Bank building. Programs of special Christmas music will be broadcast every day during the holiday period at noon and in the evening.

Members of the committee in charge of arrangements for the festival this year are: Phil Brown as general chairman, Ivie Stein, Walter Vandernast, Herbert Rankin, Carl Stein, Rodney Bacon and J. N. Hardin.

Blocks in the business district to be decorated will include from First to Sixth streets on Main; Spurgeon to Ross on Fourth; Third to Fifth, on Sycamore and First to Fifth streets on roadway.

All merchants in the downtown area have signified their willingness to co-operate with the Festival committee and have their stores specially decorated for the holiday season by December 5, the date set for opening of the festival.

## DEATH CLAIMS FAMOUS ACTOR

(Continued From Page 1)

cians abandoned hope for his recovery.

Sale, who attained fame on the stage years ago as a portrayer of rustic roles, had been in a critical condition for four days, lying under an oxygen tent.

Years after the 51-year old comedian became famous as an actor did he attain fame as an author.

The nation rocked with laughter at his short book, "The Specialist," a rural carpenter's homespun exposition on the art of building that vanishing adjunct of farm life, the outhouse.

Sale was born in Huron, S. D., in 1885, son of Dr. F. O. Sale and Lillie Sale.

It was in Urbana, Ill., that Chic spent his boyhood days. Even as a boy Chic's gift of characterization made him popular as an entertainer. While he was attending business school he was frequently called to the Sigma Nu fraternity house at the University of Illinois to help with entertainments. When Chic became famous he was made an honorary member of the Sigma Nu.

Working in a photograph gallery, Chic made a series of character photographs of himself and sent them to Gus Sun, manager of a small time vaudeville circuit, and was hired immediately. He appeared first in Bellfontaine, Ohio, in 1905. Keith circuit picked him up and made him a headliner.

His first picture, "The Star Witness," established him as a screen success. It was followed by many more, including, "Strangers in Town," "Dangerous Crossroads," "Men of America," and "Feller Needs a Friend," the last one with Jackie Cooper.

## MRS. IDA C. CAREY DIES IN FULLERTON

Mrs. Ida C. Carey, 76, a resident of Santa Ana for the past 25 years, died today in Fullerton after an extended illness.

Funeral services for Mrs. Carey will be held Monday at 2 p.m. from the Smith and Tuthill chapel with the Rev. Graham C. Hunter, pastor of the First Presbyterian church of Fullerton officiating. Interment will be in Fairhaven cemetery.

In addition to a son, Raymond L. Carey of Santa Ana, she is survived by one daughter, Mrs. Mary C. Skillman of Fullerton and one grandchild.

## POLICE WOUND RUG BURGLAR

(Continued From Page 1)

Rugs: John Tessmann, 309 East Seventeenth, Santa Ana, \$25; F. E. Taylor, 416 East Washington, Santa Ana, \$100; C. T. Laxton, 1720 Bush, Santa Ana, \$132.50, and Clifford E. Crawford, 1911 Broadway, \$55.50.

Forney assertedly admitted he had sold hundreds of rugs, obtained in hundreds of burglaries during the past several years, and valued at many thousands of dollars, to a Santa Monica rug and furniture dealer of Santa Monica, where Forney himself once operated a rug and furniture store business, according to report to Detective Lieutenant Charles W. Wolford, of Santa Ana police department.

### Victims Inspect Loot

Today, with a score of Santa Ana victims of the "phantom burglar" Wolford left in a "caravan" for South Pasadena, where the "phantom" was captured, to try to identify part of the loot taken from their homes. Allen assertedly declared he never took anything but jewelry, old gold and money, except in one case—when he burglarized the home of Councilman Joe Smith, 120 South Broadway, of jewelry and clothing valued at \$400, two months ago. The councilman was one of those who left for South Pasadena this morning.

From South Pasadena, Wolford was to go to Los Angeles and Santa Monica to continue investigation of the rug burglary.

### 16 Burglaries Confessed

To Wolford, and to Detective Sergeants James M. Pifer, Anaheim, and John Gregory, Fullerton, who accompanied Wolford to South Pasadena yesterday, Allen confessed to 16 of 17 burglaries attributed to him in Santa Ana; 15 in Anaheim, and six in Fullerton, the others reported.

Through the alleged confession of Allen, a "fence" in Long Beach and another in Los Angeles, where Allen claimed he disposed of the loot, were jailed at South Pasadena yesterday. The "fences" assertedly purchased the loot from Allen. Allen said he sold the clothing allegedly stolen from the Joe Smith home to the Long Beach "fence."

### Parked Car Downtown

"I always parked my Cadillac sedan in the downtown district of Santa Ana and walked to the scenes of the burglaries," Allen, whose record shows he served five years in the state prison at McAlester, Okla., after conviction of horse stealing, told the officers. "I always picked the homes I planned to steal from by noticing that the garage doors were open and the car gone, and the lights in the homes, out. That was so I would know the family was away. I always used gloves in my work."

"I've had some narrow escapes from capture," he continued. "That was me up there near the Y. M. C. A. and you almost got me that time, in Santa Ana." He referred to the time police stopped him to question him and he ran. His capture in South Pasadena followed an emergency call to a wealthy man's home there. Police intercepted him as he started down a stairway inside the house and when he threatened officers with the pinch bar he used to force windows, they fired one shot at him. He surrendered, asking them not to kill him, they reported.

### Many Theft Charges

Wolford declared it probably would be impossible to bring Allen to Orange county for prosecution, as he has so many charges against him in other cities. Although dying, he entered the Walter Moore home, 1205 North Broadway, and taking loot valued at \$148.50, when residents were home (first degree burglary offense), Allen confessed to 16 other Santa Ana burglaries, including the home of Moore's neighbor, the same night the Moore place was looted, as follows:

George Popoff, 407 West First, \$100; Jean McPadden, 1201 Bush, \$100; E. A. Davidson, 410 West Cannie, \$80; Lena M. Thomas, 1428 North Broadway, \$15; Mrs. Claude Steen, 1211 North Broadway, \$10; Joe Smith, 1324 Bush, \$400; Mrs. Maude Wiley and Grace Hall, 810 French, \$100, including \$2.50 worth of Miss Hall's air mail stamps which he still had in his possession when captured.

Mr. M. A. Patton, 1130 North Broadway, \$65; J. E. Gowen, 928 Spurgeon, \$100; W. D. Baker, 618 French, \$75; J. H. Bowe, 1324 Bush, \$2; W. B. Lockett, 2036 North Broadway, \$50; Clarence Skiles, 902 French, \$70; J. R. Moore, 424 West Second, \$45; Emma Graham, 1216 French, nothing; S. H. Druce, 1116 French, nothing.

### NAVY WINS OVER NOTRE DAME, 3-0

BALTIMORE, Nov. 7.—(UP)—A drop-kicked field goal from the 16-yard line in the third period by Bill Ingram gave Navy a 3-0 victory over Notre Dame today. It was the first major victory of the season for the Middies.

### Children Burned As Tar Explodes

CLARKSBURG, W. Va., Nov. 7.—(UP)—Ten children were burned critically today when a barrel of hot tar exploded while being heated by workers on a street project.

The ten were rushed to hospitals at Sutton and Charleston. Three other children were burned less seriously.

MILWAUKEE, Nov. 8.—Ray Buivid, Marquette University's great forward passer, probably has the best average of completed tosses of any aerial artist in the United States.

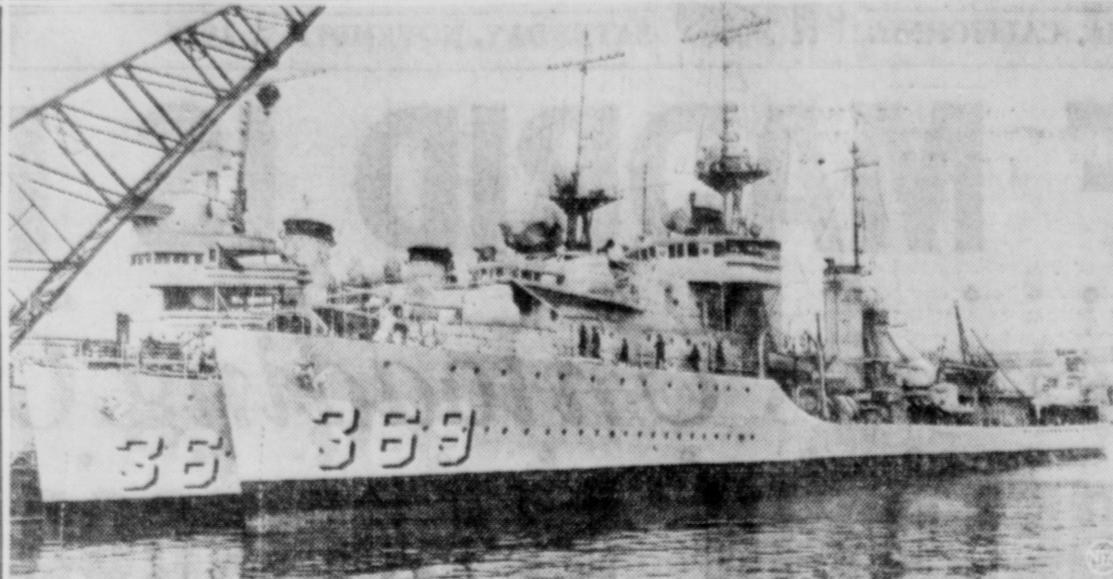

The Golden Avalanche pitcher tossed 73 arials in the first four games of the season, completing 37 of them. Only five were intercep-

tions.

The ten were rushed to hospitals at Sutton and Charleston. Three other children were burned less seriously.

In 1935, coffee drinkers in the United States consumed an average of 60.8 cups of coffee each.

## Fastest Destroyer Put Into Service by U. S. Navy

Said to be capable of greater speed than any destroyer in the United States Navy, the U. S. S. Reid was commissioned for service at the Brooklyn Navy Yard, where it is pictured floating beside the U. S. S. Mahan. The Navy's new greyhound is named after Captain Samuel Chester Reid, of Norwich, Conn., hero of War of 1812.

## WOMEN'S ORGANIZATIONS OF CITY PLAN SOWING POPPY SEEDS IN ALL VACANT LOTS

By ELEANOR ELLIOTT

Floods of sunshine, that well founded conception of easterners regarding California, is to be brought to pass in Santa Ana in every particular, if plans proposed at a general meeting of representatives of various organizations are carried out. These plans include the generous sowing of California poppy seed in every vacant lot and parking space in the city, so that when spring arrives in the Southland, it will see the entire city burst into golden bloom.

Meeting this week in Ebells clubhouse, women of these several civic organizations conspired together to prevent the plan to their individual groups. It is believed that each group will respond with enthusiasm, and since the planting season is almost at hand, the seeds will be secured at once and planting operations put into effect.

Mrs. Fred Rowland as president of Ebells society, was asked to preside over the initial conference. Taking part were Mrs. F. H. Heine of the city planning commission; Miss Mabel McCaffery of the Y. W. C. A.; Mrs. R. H. Sandon of American Legion auxiliary; Mrs. J. T. Wilson of Ebells Garden section; Mrs. James McCracken of Woman's Club Garden section; Mrs. John J. Mills of the City P. T. A.; Mrs. George Ravenkamp of the Catholic P. T. A.; Mrs. Raymond Terry of Junior Ebells Garden section; Mrs. T. E. McLeod of Better Gardens club; Mrs. Clyde Ashen of Y. L. I.; Mrs. Edward Walker of Garden Study club, and the Public Affairs committee members of Ebells society. Mesdames Robert G. Tuthill, chairman, B. H. Sharpless, Roy Shafer, Charles F. Smith and J. W. McCormac.

Each of these women will report to her individual organization, on the plan formulated and discussion as to the manner in which it may be carried out. It is anticipated that each organization will take action at once on confirmation of the plan, and the date of November 24 has been named for a second committee meeting in Ebells clubhouse, when results will be reported and a definite campaign of beautifying the city, will be adopted.

In the meantime it is believed that other organizations, including men's service clubs, Boy Scouts, Girl Scouts, Y. M. C. A. and different civic groups will offer cooperation. For there will be work for all in carrying out the plan, despite its simplicity, will offer a definite number of difficulties to overcome. Vacant lots and parking will have to be prepared to receive the seeds; the supply must be obtained, and a definite planting campaign worked out. The preliminary committee meeting took steps to ascertain the best way of securing sufficient poppy seed to plant the entire city, and it was reported that a seed company will furnish it at cost in any quantity wished.

A wide range of possibilities was opened up when suggestions were made that perhaps Boy Scouts and Girl Scouts would join in the work of preparation and planting, as a means of obtaining merit badges. Such work would be added incentive to property owners to join in the movement. Attention was called to the beauty of certain areas in the city where poppies have bloomed so brilliantly in their season, giving joy to all passersby. It was pointed out that if these limited areas might be extended to embrace the entire city, Santa Ana would be a vivid spot of gold throughout the spring and early summer months.

In effecting a formal organization for carrying on the work, the original group named Mrs. Tuthill to serve as chairman of the committee with Mrs. McLeod as secretary. They will preside at the meeting of Tuesday, November 24. This will take place at 10 o'clock in the morning in Ebells clubhouse.

## ORANGE D. U. V. HOLDS MEETING

ORANGE, Nov. 7.—Daughters of Union Veterans held a regular meeting yesterday in the new meeting place of the unit, the Women's auxiliary room of the American Legion clubhouse. The sewing circle convened at 10:00 a.m. with a pot-luck luncheon being served at noon. The afternoon session was turned over to Mrs. Abigail McAdoo, who presided.

Arrangements were made for a bazaar to be held about the first of December. Plans will be completed at the next meeting, which is to be featured by a pot luck luncheon on November 20, in the auxiliary room of the clubhouse. The following were named on the bazaar committee: Mrs. Jennie Bell, Mrs. Grace Durfee, Mrs. Belle Condon, Mrs. Delia Bishop, Mrs. Martha McDonald, Mrs. C. L. Benson, and Mrs. Lillian Westover.

Those present at yesterday's meeting were: Mesdames Abigail McAdoo, Belle Barnes, Ella Robinson, Delta Athey, Lillian Westover, Grace Durfee, Jennie Bell, C. L. Benson, Hattie Siegled, Clara Hodson, W. P. Perry, Belle Condon and Miss Gladys Shoemaker.

In 1935, coffee drinkers in the United States consumed an average of 10,366,000 washing machines are in use in American homes.

## U.S. MARSHAL TO UNLOAD VESSEL

(Continued From Page 1)

ence in Buenos Aires, would be able to leave the harbor without difficulty.

She had been informed by department agents in New York that reports of the walkout on the east coast had been "greatly exaggerated" and that it was "not so" that 50 ships were tied up in New York and three or four thousand men were on strike.

The labor department studied the legal possibilities of deporting Harry Bridges, Pacific bridge leader as recently as last spring, and found no evidence for his deportation. Bridges came to this country from Australia in 1920.

4. The labor department studies working and living conditions aboard American merchant vessels now being completed and it will be published later.

Miss Perkins conferred yesterday with both the president and ad-

A. Willey, chairman of the United States maritime commission.

## FORD-NEUSEL VICTOR TO FACE MAX BAER

ORANGE, Nov. 7.—An all day meeting was held yesterday when Willing Workers shared the hospitality of the home of Mrs. Gladys McDonald, South Center street, yesterday. Other hostesses were Mrs. Sarah Gorr and Mrs. Edna McDonald. The business meeting was in charge of Mrs. Etta Huffman and the Bible study was in charge of Mrs. Etta Huffman.

Those present other than the hostesses were Mesdames Rosa Stebbins, Doshia Kerns, Julia Smith, Euphemia Rais, Carol Hall, Lillian Weitenmann, Blanche Campbell, Martha Stone, Freda Porter, Gertrude Stout, Violetta Erickson, Rosalia Smith, Mary Elliott Grace Deck, Florence Merriman and Etta Huffman.

Mr. Warner had been a resident of Orange county for 60 years and had lived on a ranch in Bolsa for 55 years, prior to his illness. On October 10 he and his wife, Mrs. Wealthy Sarah Warner, who survives him, celebrated their sixtieth wedding anniversary. He was a veteran of the Civil War and a member of the Kalamazoo Post of the G. A. R.

Mr. Warner and his wife came to California more than 60 years ago from Weeping Water, Neb., on one of the first immigrant trains where they embarked on the coast steamer Orizaba for San Pedro. The couple went to San Francisco where they boarded the steamer for San Pedro. From the harbor city the couple came to Anaheim and first settled in Fountain Valley, now known as Talbert. From that point they moved to Westminster and then to the ranch at Bolsa which the Warners occupied until the last illness of Mr. Warner and which is still owned by the family.

In addition to his widow and the daughter at whose home he died, he is survived by three sons and two daughters. Surviving sons are Glenn S. Warner, Tustin, Thomas Warner, Corpus Christi, Tex., and Benjamin Warner of Compton. Daughters surviving him, in addition to Mrs. Schenk are Mrs. Emma Warner Draper, Santa Ana, and Mrs. George Anderson, of Wilcox, Ariz. He is also survived by 10 grandchildren and three great-grandchildren. Funeral services will be held at 11 a.m. Monday in the Los Alamitos Friends' church at Westminster cemetery with the Rev. C. M. Aker, pastor of Spurgeon Memorial church, Santa Ana, officiating. Interment will be in Westminster Memorial cemetery.

**BIRTHS**

EDWARDS—To Mr. and Mrs. Alvin G. Edwards, of 938 Halliday, on November 5, a daughter, Romaine Alice.

HICKS—To Mr. and Mrs. Gaylord Hicks, 1411 South Ross street, Santa Ana, at St. Joseph hospital, November 7, 1936, a son.

KUNKEL—To Mr. and Mrs. Elmer Kunkel, Garden Grove, at Orange County hospital, November 6, 1936, a son.

CASITLLO—To Mr. and Mrs. Ray Castillo, Route 3, Anaheim, at Orange County hospital, November 6, 1936, a son.

**DEATH NOTICES****A WORD OF COMFORT**

The energy of the sun is stored up in immense reservoirs of oil thousands of feet below the surface of the earth. When brought to the surface and used aright, it contains untold power. For ages man has nothing of it and can not tap the wells.

Deep down in your own soul lies the power to triumphantly bear the heaviest burdens. If you keep your touch with God, He will see that the well run dry. You must sink the shaft of loving trust if you are to have the strength which He has provided.

COZAD—At Long Beach, Nov. 6, 1936, at his home on Magnolia Ave., Garden Grove, Otto Gustav Cozad, age 77 years. He is survived by his wife, Lydia Cozad, two children, Victor L. and Evelyn Cozad, all of Garden Grove, one sister, Mrs. Herman Brier, of Manawa, Wisconsin. Announcement of funeral later by Brown and Wagner.

RHODE—November 6, 1936, at his home on Magnolia Ave., Garden Grove, Otto Gustav Rhode, age 77 years. He is survived by his wife, Lydia Rhode, two children, Victor L. and Evelyn Rhode, all of Garden Grove, one sister, Mrs. Herman Brier, of Manawa, Wisconsin. Announcement of funeral later by Brown and Wagner.

FEHR—Nov. 6, 1936, Harry E. D. Fehr, of 1117 Kilow Drive, 54 years of age. Mr. Fehr was a man of the U. S. Navy and had served on the ship Lexington. He is survived by his wife, Mrs. Anna M. Fehr and daughter, Mrs. Emma Hebert of Newport. Notice of funeral will be given later by Smith and Tuthill.

CAREY—At the home of her daughter, Mrs. Bella Bond, 1010 E. Main, Nov. 6, 1936, Mrs. Ida E. Carey. Mrs. Carey had lived in Santa Ana 25 years and was the mother of Mrs. Mary C. Skillman and Raymond L. Carey. Funeral services Monday at 2 p. m. from Smith and Tuthill's chapel, Interment Fairhaven cemetery. Santa Ana Lodge 1, O. O. F. services at grave.

BENNETT—Funeral services for Mrs. Bella Bond, who died Nov. 6, 1936, will be held Monday at 10 a. m. from Smith and Tuthill's chapel, Interment Fairhaven mausoleum. Rev. Harry Evans, Owings officiating.

**FUNERAL NOTICE**  
LEACH—Funeral services for Marie Scratches Leach, who passed away at her home on Northeast street, Nov. 6, 1936, will be held at 2:30 p. m. tomorrow at the Brown and Wagner Funeral home, 116 West Seventeenth street. Rev. W. J. Hatter officiating. Private cremation Monday morning.

**DIRECTORS OF FARM CENTER ARE SELECTED****KEN Murray  
SAYS:**

NEW YORK, Nov. 7.—The 1936 election can be packed away in straw-votes, now that Franklin Roosevelt will be the occupant of the presidential chair for the next four years. . . . Today, the losers are busy dismantling their political platforms, and building up their alibis.

Regardless of what happens to business, thank goodness that at least the people will now get a breathing spell.

Of course, this election has definitely proven one thing about the radio. . . . If the public doesn't like the product, no amount of advertising will make them buy it.

But we should be all the thankful that America is one of the few places where you can vote for the losing candidate, and still live to tell about it.

(Copyright, 1936, McNaught Syn., Inc.)

**RABBIT BREEDERS TO EXHIBIT SUNDAY**

Members of the Orange County Rabbit Breeders' Association have announced their annual show to be held in Anaheim, starting tomorrow and continuing through Nov. 10. The show will be held at 415 East Center street, in Anaheim.

According to V. W. Reach, president of the association, rabbits to be entered in the show should be located in the exhibition room not later than 11 a. m. tomorrow.

Officers of the association, in addition to Reach, include V. Mallin, vice president and Hazel Reach, secretary and treasurer. Hazel V. Pike will superintend the show and the committee in charge of arrangements includes: F. C. Davies, R. J. Howland, Adolph Stremple, J. M. Bryant, V. W. Reach, V. Mallin and William Hemann.

**MAN ASKS ARREST; JAILED 31 DAYS**

Lynwood Young, 25-year-old Negro of 2800 West First street, was sent to county jail today for 31 days, after he assertedly telephoned to sheriff's officers from Dixon's pumping plant on West First street, to tell them he was "drunk and might do something desperate." The officers accommodated him. Judge Kenneth Morrison sentenced Young, local singer and tap dancer, to pay a \$25 fine today or go to jail for 31 days. Young didn't have the money.

**NATIVE DAUGHTER OF FULLERTON DIES**

E. C. James, of Anaheim, who pleaded guilty to a charge of bookmaking, yesterday was sentenced by Superior Judge H. G. Ames to serve 30 days in the county jail. Stay of execution sentence until next Monday was granted.

Nine divorce decrees were granted in superior court late yesterday, as follows: Janet L. Funk against Gale L. Funk, grounds cruelty; G. W. Tubbs against Fae Tubbs, cruelty; Delores H. O'Brien against Ray J. O'Brien, cruelty; H. E. Davis against Jennie Davis, desertion; Mary E. Merriman against Fred L. Merriman, cruelty; Beatrice Knisley against Chester Knisley, desertion; Harold Gray against Irene Ray, desertion; Margaret Duffle against Raymond Duffle, cruelty; Nelle Mae Mulvihill against Jim Mulvihill, cruelty.

W. J. Cozad was an active member of the San Jacinto Masonic lodge and Sycamore Lodge, Royal Neighbors, of Westminster.

In addition to his widow, Mrs. India Cozad he is survived by six daughters, Mrs. J. A. Scott, Mrs. H. M. Ellis, Mrs. V. L. Finster, Mrs. L. D. Daniel, Mrs. A. Cozad, Mrs. Vernon M. Gortz and Mrs. W. E. Blanton; two sons, W. J. Cozad Jr. and S. T. Cozad and four brothers, W. J. Cozad, C. C. Cozad, H. W. Cozad and A. B. Cozad, all of Orange county.

Local Briefs

S. L. Harrell, engaged in business in Orange county during the last 13 years, has purchased the Moritz Funeral Home in Montebello. Harrell, who was a visitor in Santa Ana today said he took possession of his new business on November 1.

Claiming that face and body injuries she received in a collision between an automobile and truck, left disfiguring scars, Miss Dorothy Cate, 17, today had filed suit in superior court against the Shell Oil company, asking \$7500 damages. The accident took place at Commonwealth and Raymond avenues, Fullerton. Attorneys Launer and Guy, of Fullerton, represent the plaintiff.

Second trial of W. K. Murphy, San Bernardino man charged with grand theft and issuing a fraudulent check to George Ward, of Long Beach, yesterday was set for November 23 by Superior Judge G. K. Scovell.

Red lanterns were posted in the street in front of 2727 North Flower street last evening to protect car tires from broken bottles, police reports show. Several bottles fell from a Davis Bottling Works truck which was involved in a slight accident, it was reported.

Francis Dunn, 1050 West First, told police a radio was taken from her home yesterday. She asked officers to help locate it.

Skirts from the fenders of his automobile were stolen last night while the car was parked at Sixth and Flower, Joe Kane, 101 West Fourth, informed police. He said the skirts are worth \$10.

■ Exciting!

■ Thrilling!

■ Educational!

A rare combination. It is the new feature which starts in The Register next Monday. It is "Little Orphan Annie." It runs in the form of a comic strip. It is in reality an exciting continued story that has a heart throb that appeals to both young and old. The creator of this different kind of strip is

country boy makes good in comic strip!

THE creator of Little Orphan Annie spent the first twenty-three years of his life on a farm in the middle West. The hours between milkings in the last four of these years were devoted to tilling his own gray matter at Purdue University. After capturing his sheepskin Gray hired himself out to a small-town newspaper as fledgling cartoonist, which in not fewer but truer words meant chief target for the plain and fancy kidding of his whimsical co-workers!

He next moved his itch to draw to the Chicago Tribune, where, as general factotum in the art department, he had opportunity to try a little of everything. Came the war—and Harold Gray became a shavetail. The armistice found him in Atlanta, Georgia. He came back to the Chicago Tribune for a short hitch, tried commercial art for a while, returned to The Tribune as an art department utility fielder.

For quite a while, he shared an office with Sidney Smith, who makes the Gumps. He learned a lot from this master cartoonist, and decided to try something on his own. So, on August 5, 1924, he began to speak for himself through the medium of a little tyke with an amazing mop of curly hair and wide-open eyes—now known to millions as Little Orphan Annie!

Gray's strip sprang to instant popularity with its theme of constant adventure—with its two leading characters: the appealing slip of a girl with no momma and no poppa, but blessed with a stiff upper lip and a flip way of expressing herself; a diamond-studded, diamond-in-the-rough, big business man and adopted father—Daddy Warbucks!

Today, millions of readers in scores of great newspapers follow the ups and downs of Annie, her flights and philosophies, her troubles and triumphs.

Little Orphan Annie bears the distinction of being a comic strip with heart interest over humor, the kind of a continued story that calls forth choruses of "Atta girl, Annie!" Once you know her, you'll be rooting for her, too.

# WEATHER MAN SAYS HAWAII TO BE COOLER

HONOLULU (UPI)—A cycle of warm weather, lasting now for 30 years, is one of the principal factors in the increased growth of sugar cane that has made Hawaii wealthy, according to E. F. Loveridge, U. S. weather bureau official.

Whatever progress the sugar planters have made in the way of scientific agriculture, Loveridge insists that this increased warmth on the islands has been one of the underlying causes of the present high production. He does not believe that the present cycle of warm weather, despite the fact that it has lasted now for 30 years, will be permanent.

"The territory has been going through an abnormal warm weather cycle since 1902 when something, perhaps a shift in the winds, occurred to change the temperature," Loveridge said. "The weather has been warmer during the past five years than it has been in the last 56 years. There has been an increase of two-tenths per cent in temperature."

As the average summer temperature in Hawaii is about 80 degrees, this increase is slight so far as the people are concerned. Loveridge explains. But it is all important to sugar cane farmers, especially since the increase has been greater in winter than in summer, making for a more even climate and one more suitable for the all-year growth of cane. An increase of one degree, from 74 to 75, means a 25 per cent increase in effective warmth for Hawaiian sugar cane, it is explained. Like cane grown in the United States, it will not thrive in a temperature registering under 72 degrees.

Loveridge is convinced that the warm weather of the past 30 years is due to a shift in the high pressure area several hundred miles off the coast of California. This shift, he said, could be held responsible for trade winds which formerly swept across the ocean to Hawaii from the cold north regions, now approaching from a more easterly direction. Coming from the east rather than from the north, they are warmer.

# CORNELL MAN LEADS MANILA VICE CLEANUP

MANILA (UPI)—Though Manila cannot boast of a Charlie Chan, the Honolulu Chinese sleuth created by the late Earl Derr Biggers, it has a new chief of police who is enterprising enough to merit some sort of lasting fame.

Antonio Torres, a colonel in the former Philippine National Guard, was one of Manila's councillors who supported Manuel L. Quezon for the presidency last year. Nearly a year ago, President Quezon picked him to succeed Chief C. E. Platt, American, who was retiring from the service.

**Strikes at Vice**

Torres immediately started a campaign against vice, gambling and prostitution. Scores of the city's dubious "boarding" houses were padlocked.

Having imbibed the American spirit—he studied at Cornell university as a young man—Chief Torres introduced several progressive innovations. He planted traffic buoys at intersection hubs, installed towers for traffic policemen and changed the old-fashioned "Black Mariae" to sleek eight-cylinder police wagons.

He even planned a radio-patrol unit several months ago, but Manila was too peaceful to have much use for it and the project was abandoned because of the expense.

**Speeds Up Traffic**

His latest achievement is the solution to the decade-old traffic problem. As traffic in the crooked, narrow streets of Manila is heavy because of carromatas, two-wheeled vehicles, carretones, carts drawn by water-buffaloes, and innumerable midget taxicabs. Chief Torres initiated a traffic plan which considerably relieved congestion in the downtown shopping districts.

This he did one day on his own responsibility, despite the fact that the mayor had previously suspended the plan. Now that the plan is working out successfully, the mayor has approved the innovation.

## MYRON GUILBERT RETURNS

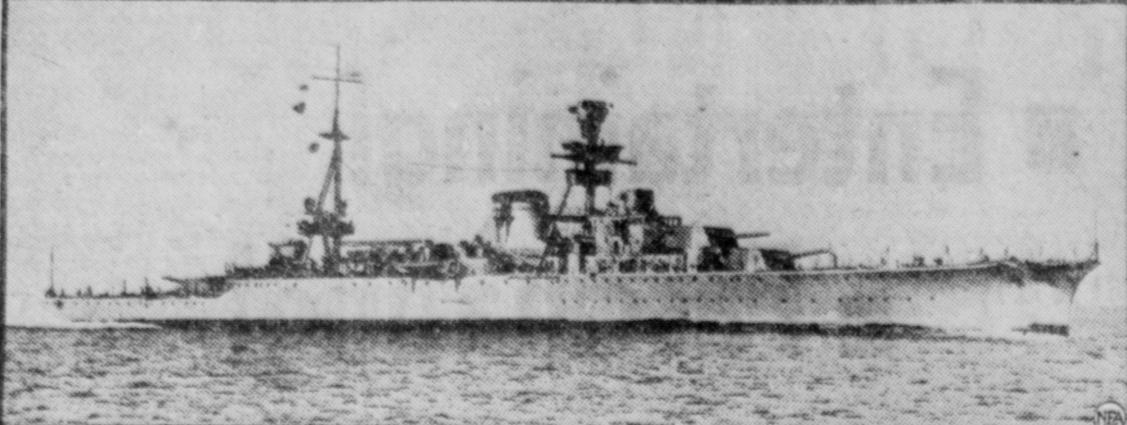

SAN JUAN CAPISTRANO, Nov. 7.—Myron Guilbert returned early Wednesday morning from a seven-months' cruise in the South Seas aboard the M. S. Stranger. Guilbert was one of about 30 Sea Scouts that made the trip. Honolulu was the first port to be visited after leaving the United States. After an interesting cruise in the South Seas the M. S. Stranger again put into Honolulu before sailing for home.

Spirits distilled from rubber are being tested as a motor fuel in British Malaya.

## EPHEDRINE NASAL DROPS

To facilitate breathing when you have a cold in the head nothing has as yet been discovered that equals McCoy's Ephedrine Nasal Drops. It shrinks all nasal membranes after application. Place a few drops in each nostril or spray with an atomizer and in a few hours your cold in the head has disappeared. Half ounce in dropper bottle only 45c, at all McCoy Stores.—Adv.

## Haven for Fugitives From Spanish Rebel Wrath

This Argentine cruiser, the Veinticinco de Mayo, was stationed at Alicante, on the southeast coast of Spain, to embark high Spanish government officials when approach of Rebel armies made it dangerous for officials to remain in the country. President Manuel Azana and some cabinet ministers were reported to have obtained permission to flee on the cruiser. Argentina, which until 1816 belonged to Spain, thus extended the right of asylum to its mother country.

## CROP REPORTS GLEANED FROM 75000 FARMERS

WASHINGTON, Nov. 6.—(UPI)—

Estimates of the Department of Agriculture of production of all major American farm commodities represent the finished product of a mass of statistical information furnished by 750,000 farmers.

A nationwide network of agricultural experts, highly trained statisticians and farmers on almost every rural free delivery route is utilized to compile data for its crop report.

Long experience has taught this government agency to forecast crop production with amazing accuracy. On its figures depends the trend of the market and to some extent the fortunes of the farmer.

Equipped with forms supplied by the bureau of agricultural economics, farmers estimate the condition of the crop in terms of its relationship to normal and supplied other calculations, including prospective yields.

### 6 State Bureaus Aid

The pencilled reports of the farmers first go to state and regional offices maintained by the bureaus crop reporting board, many of them in co-operation with state institutions. State and regional reports then go to a special mail box in the office of the secretary of agriculture that requires two keys to be opened. One of these keys is in the custody of J. A. Becker, chairman of the crop reporting board; the other is in possession of the secretary of agriculture.

Each time a report is issued Becker and group of commodity and statistical specialists sit as a board. Each makes a separate national estimate based on a perusal of the state reports and a group of special reports which come directly to the board. Where they disagree they make a re-examination of the data in detail. The report is always ready on time with releases of the general commodity reports regularly scheduled after the close of markets.

### Service Begun in 1839

The bureau's crop reporting service soon will be 100 years old. The first official crop reporting work undertaken by the government began in 1839. Naturally it was extremely limited in scope and sketchy at the beginning.

**Service Begun in 1839**

But there is, praise be, Miss Sullivan, who became an overnight star in the films after a brief, sensational, though promising, stage career, and now has become the subject of many research paper.

"Stage Door" tells the story of a young woman seeking to establish herself on the stage while she spurns offers which would give her an easy living in the films.

## SOVIET RESTORES CATHEDRAL MADE BY IVAN THE TERRIBLE

MOSCOW (UPI)—St. Basil's Cathedral on Red Square, most Asiatic and picturesque building in Moscow, will be restored to its original appearance just as it was when built by Ivan the Terrible in celebration of his victory over Kazan in the middle of the 16th century.

A popular legend records that Ivan blinded the architect when the cathedral was completed, to prevent his building anything else so beautiful, but whether this is true or not, the ancient structure remains one of the unique structures of the world.

Each dome is of a different shape and color, but age has dimmed the tones, and inside the ancient frescoes in many places are hidden under many layers of later origin.

D. P. Sukhov, Soviet architect, has begun the work of restoration based on a detailed study of the architecture and decoration of the church.

The external walls on the eastern side already have been restored, but the complete work will occupy three years.

Difficulties involved are shown by discovery that in the central part of the cathedral the original architecture is concealed under rough putty and painting done in the 19th century.

The dome is of a different shape and color, but age has dimmed the tones, and inside the ancient frescoes in many places are hidden under many layers of later origin.

Ivan blinded the architect when the cathedral was completed, to prevent his building anything else so beautiful, but whether this is true or not, the ancient structure remains one of the unique structures of the world.

Next Friday's Games

Tustin at Brea-Olinda; Valencia at Laguna Beach; San Juan Capistrano, by.

Still hopeful of ending the season next Friday in the mathematical tie with the uncrowned Laguna Beach champions, Tustin and Brea-Olinda scored comparatively easy victories in the Minor division of the Orange league yesterday.

The Farmers flattened San Juan Capistrano, 22-7, and Brea-Olinda outlasted Valencia's Tigers, 26-13.

Tustin and Brea-Olinda tangle at Brea next Friday.

Tustin got off in front in the first quarter on a 65-yard touch-down run, behind letter-perfect blocking, by Lawrence Monroe. A pass from Paul Francis to Walt Linker added the extra point.

San Juan Capistrano tied the score with a beautiful passing attack, Quackenbush tossing 18 yards to Hunn for the score. Pancho Forster kicked goal.

Two plays later, Walt Linker charged through the Cougar line and rambled 60 yards to put Tustin ahead again. A line buck by Francis added the extra point. The Farmers scored again in the second quarter when Francis went over from the four after a 30 yard pass to Salazar put them in position. The score was 20-7 at the half.

A pass—Francis to W. Linker—scored the fourth tally, but Francis missed the conversion. After substitute Halfback McCarter intercepted a Cougar pass in midfield, he and Monroe took turns working the ball to the 1, where Monroe went over for the final touchdown. Bouchard place-kicked goal.

Tustin repelled any future Capistrano attack by simply keeping the ball themselves. Outstanding for the Farmers were Linker, Monroe, Francis, Holderman and McCarter. The bulkward of the Cougars was burly Forster. The lineups:

S. J. Capistrano (7) (33) Tustin Cook ..... L.E. .... V. Linker Jones ..... L.E. .... S. Jones Dier ..... C. .... T. Dier Forster ..... C. .... T. Bristow Changals ..... R.G. .... Tustin ..... 7 13 6 23

BREA TRIUMPHANT IN FREE-SCORING TUFF

"Shorty" Smith's Brea-Olinda Wildcats finished in front of Valencia, 26-13, in a free-scoring contest that was not decided until Halfback Merle Shores took a kickoff, with the score 19-13 and ran 85 yards to a touchdown.

Brea-Olinda got off to a 13-0 lead in the first quarter. The 'Cats took the opening kickoff, traveled downfield without a bobble until Baker went over from a yard out. Kester went most of the way on a reverse. Henderson's punt that went out on Valencia's 2 paved the way for Brea to get going again. A Shores to Baker pass after the punt-out put the ball on the 22 and another from McConnell to Cox went for a touchdown.

Valencia reached pay dirt in the second quarter. A pass from Jones to Parker put the ball on Brea's 19 and Jones lugged it the rest through a broken field.

Brea made it 20-6 early in the third quarter, Baker going over after a long Brea drive. Valencia came back a few minutes later, putting on a long sustained drive with Jones finally crashing across. Then Valencia kicked off and Shores came up with his 86-yard run.

MRS. JARRETT ASKS TO BE REINSTATED

TROY, N. Y., Nov. 7.—(UP)—Swimmer Eleanor Holm Jarrett today said she planned to seek reinstatement in the Amateur Athletic union at the union's convention in Houston next month.

Mrs. Jarrett explained she wanted to remain an amateur "with all my heart." She was barred from competing in the Olympics for alleged violation of training rules.

SAN DIEGO MARINES HUMBLE RAMBLERS

SAN DIEGO, Nov. 7.—(UP)—The San Diego Marines pounded out an easy 18-0 victory over the University of California Ramblers here last night.

# NEWS FROM ORANGE COUNTY COMMUNITIES

## \$100,000 Building Boom Underway At Costa Mesa

### ACTIVITY SEEN IN REMODELING OF MANY HOMES

COSTA MESA, Nov. 7.—Costa Mesa is at present in the midst of a building program that reaches well over the \$100,000 mark, according to a survey just completed by the chamber of commerce. A recent study revealed a residential building spree that is running near the \$60,000 mark, and a check up on work that is being done in the business district in new construction, modernizing and renovating commercial units, reveals that approximately the same figure as that spent on dwellings is being spent on the latter.

Outstanding among units that are under construction and those contemplated for early progress is the new American Legion hall and civic center, which is expected to cost \$23,000. This structure is to be erected on West Eighteenth street in the 100 block on property acquired by the post from the Stephen Townsend estate. Emmett B. Allen, immediate past commander of the organization, is at the head of the committee on arrangements. He is assisted by Leroy P. Anderson, Commander R. C. Carlton, Leo Payne, Robert Power, John Wilcox and John F. Webster.

M. G. Eighney, owner and manager of the Costa Mesa Bird and Game Farm, is in the midst of a modernizing and rebuilding project that, when complete, will cost about \$5,000, he stated. The property is located on Newport boulevard in the 2000 block. The Costa Mesa Cooperative Exchange has the main building inclosed and in use in an improvement at the corner of Cecil place on Newport boulevard, which, when complete, will be a feed and seed warehouse. Included in the entire plant when finished will also be a three-pump gas and oil station and other smaller units found in connection with such equipment.

A six-room white stucco building including offices, and operating room and other compartments to be found in a first class receiving hospital has recently been completed and is now occupied by Dr. W. L. Covault. The building was erected on property owned by the doctor in the 1700 block on Newport road.

Albert Duké recently purchased and modernized a business block at the intersection of Newport boulevard and Eighteenth street and now is occupying the same as owner and manager of the Red and White grocery and produce store. Opposite the Duké property on Eighteenth street is the Pilkington block, recently purchased, modernized and renovated by Charles Pilkington. The main room of the unit is now occupied by the Ben Franklin stores. The room next to the main room is occupied by the Roy Berry barber and beauty shop, and Stuart Price has a stock of men's furnishings ready to move into the third room which is expected to be ready for occupancy in a few days. Edwin Beal, formerly of Oceanside, has moved a stock of furniture into the rooms at 1806 Newport boulevard which recently underwent remodeling at a cost of several hundred dollars.

It is reported that the Newport Heights Water company is laying plans for the erection of office rooms on its Eighteenth street holdings; and it is also believed that a commercial structure to cost several thousand dollars will be started in the business district at the intersection of Harbor boulevard and Newport road.

In keeping with the rapid progress being registered in the business section of town, also with the building up of several choice residential areas close in, the Board of Directors of the Chamber of Commerce, according to a statement by various members, recommends that early steps be taken toward securing better facilities for sewage disposal, the eradication of unsanitary practices, a regular garbage and rubbish collection plan, a better system of traffic control through the busier streets, a more thorough policing of the more thickly populated areas and the establishment of a zoning and planning commission. Methods by which the above projects may be most efficiently handled have also been discussed, it was stated.

### P.-T. A. Sponsors Father's Night

LA HABRA, Nov. 7.—A "Father's Night" was held by the La Habra P.-T. A. Wednesday evening at the Lincoln school auditorium, which was attended by over 100 parents and teachers.

The short business meeting was hurried through and this was followed by talks on "Maintaining Old Standards in a Modern Way," which is the theme previously adopted for this meeting. Talks were made by Arthur Corey of Buena Park, deputy superintendent of county schools; Ralph Aldridge, member of the local faculty and the Rev. Arthur Kent of the local Methodist church. Various phases of the theme were discussed by each speaker.

Music for the evening was in charge of Mrs. Ralph Aldridge, instructor in music for the local schools, and the community singing was led by Miss Avis Elder of the local faculty. William Sharpe also a member of the local faculty, gave two violin solos.

### Make Over H. B. Street Into Parkway

### ANNUAL FATHER NIGHT FEATURE OF P.-T. A. MEET

HUNTINGTON BEACH, Nov. 7.—Frankfort street, formerly the "old trail along the bluff," has been converted into the city's most beautiful scenic drive, and the completed work will be turned over to the city council Monday night by the Anasco Construction company of Long Beach. The job cost about \$90,000, and there is a 60-foot street more than 3000 feet in length, extending from Alameda to Indianapolis street... The construction company finished its work yesterday, and a stream of autos poured over the new street all day. Citizens were inspecting the work their city council has completed without a cent of cost to a single taxpayer in the city. Frankfort street being a connecting street with a state highway, the state gas tax fund was available for this job.

### LAGUNANS END VACATION TRIP

LAGUNA BEACH, Nov. 7.—Mr. and Mrs. H. C. Hind and Mr. and Mrs. Frank W. Shields, who left Laguna Beach October 2 on an extensive motor tour through the states, returned Sunday with many interesting stories of fascinating places they visited during their vacation trip.

Community singing by the audience will be lead by Mrs. Elizabeth Johnson, from song books used in the upper grades and lent to the P.-T. A. for this occasion. Miss Breuer will accompany.

A brief business meeting will precede the program, according to Mrs. Joseph Signor, president, who will call for reports from committee chairmen. Refreshments will be served in the domestic science room after the program, with Mrs. V. B. Fether and Mrs. Morgan Christian in charge.

### EASTERN STARS FETE OFFICERS

LA HABRA, Nov. 7.—Mr. and Mrs. Edgar Leutwiler, worthy matron and worthy patron of the La Habra chapter of the Eastern Star, entertained their officers and the husbands of the officers at a bridge dinner Thursday evening at the Dinner Bell cafe on Whittier boulevard. Each officer who has served with Mr. and Mrs. Leutwiler during this year was presented with a gift by the hosts.

Following the dinner, bridge was played in the game room and prizes were awarded to Mrs. Homer Holzgrafe, Harlen Hodges, Mrs. W. D. Kirkpatrick, J. D. Herman, Mrs. L. A. Welch and W. D. Kirkpatrick.

Guests were Mr. and Mrs. E. A. Schneider, Mr. and Mrs. C. E. Campbell, Mr. and Mrs. P. J. Stempie, Grant Sherman, Mr. and Mrs. Homer Holzgrafe, Mr. and Mrs. Harlen Hodges, Mr. and Mrs. J. D. Herman, Mrs. Helen Williams, Mr. and Mrs. F. P. Davis, Mr. and Mrs. W. D. Kirkpatrick, Mrs. L. A. Welch, Mr. and Mrs. E. C. Counts, Mr. and Mrs. J. L. Williams, Mr. and Mrs. R. E. Launer, Mr. and Mrs. M. G. Renken, Mrs. Fred Walker and Mr. and Mrs. H. C. Dohrmann.

**MRS. COLLINS GUEST SPEAKER**

FULLERTON, Nov. 7.—Mrs. Samuel Collins will be guest speaker at the meeting of Mojave chapter, Daughters of the American Revolution, at the regular meeting to be held at the home of Mrs. O. M. Thompson at 701 North Spadra road Monday. It will be a luncheon affair. Mrs. Thompson will be assisted by Mrs. R. R. Lightner, Mrs. Doris Gunnert and Mrs. Russell G. Evans. Mrs. W. W. Blackmer, regent, will preside at the business meeting.

### CELEBRATE ANNIVERSARY

Mr. and Mrs. G. H. Richardson, who tomorrow celebrate their golden wedding anniversary. The pictures here might be titled, "Before and After," or, "Then and Now." The picture on the left was taken soon after the Richardsons were married 50 years ago. The other picture was taken recently, showing the couple as they are today.

### COSTA MESA CLUB HEARS LECTURE BY HEALTH OFFICIAL

### Postmasters Enjoy Turkey Dinner

YORBA LINDA, Nov. 7.—Mrs. Oliva Beard at noon today entertained a group of Orange county postmasters and members of their families at a turkey dinner in her home.

Those attending were Postmaster and Mrs. Frank Harwood of Santa Ana, Postmaster and Mrs. Carl Brenner of Buena Park; Postmaster Bertha Hibert of La Habra and a niece of Mrs. Beard, Miss Marietta Lovelace of McAlister, Okla., who is attending the Fullerton District Junior college.

Man of the club. Decorations were in fall flowers and greenery. Hostesses for the gathering were Mrs. Sidney H. Davidson and Mrs. John P. Webster, Mrs. J. O. Tallman the club chairman, presided. Mrs. Tallman and Mrs. Addie Frink were chosen as delegates to represent the club at a convention of Federated Woman's clubs to be held at Palm Springs on November 18.

Supplementing the above number in the day's program was a choral concert by the Orange County Federal Music project Woman's sextette, assisted by Cleo Hibbs and Dodley Page Hunter as director.

The third number was a solo by Mrs. Owens, "The Little Windy Road," and the next was a duet by two members of the sextette, Mrs. Shandrow and Miss Glasscock, "La Barrachita." Mrs. Hibbs sang "Sometime," "Mountains" and "Drums," all three numbers being his own compositions. The sextette sang, "On the Steppes," "Bird Songs at Eventide" and "To Spring."

The concert was arranged for by Mrs. C. A. Custer, music chair-

67.9 and new cards issued totalled 38 for the month.

**LIBRARY REPORT GIVEN**

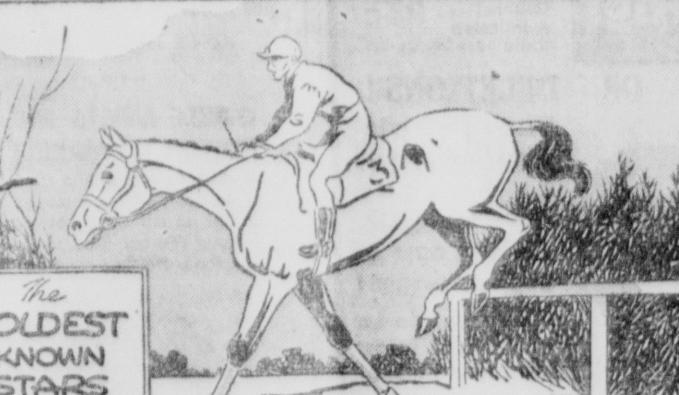

LA HABRA, Nov. 7.—Miss Sophie Kruse, local librarian, reported the following for the local branch library for the month of October:

Collection loans, 1926; non-fiction, 256; juvenile, 347; periodicals, 199; pamphlets, 6; making a total for the month of 1834 loans.

The average daily loans totalled

67.9 and new cards issued totalled 38 for the month.

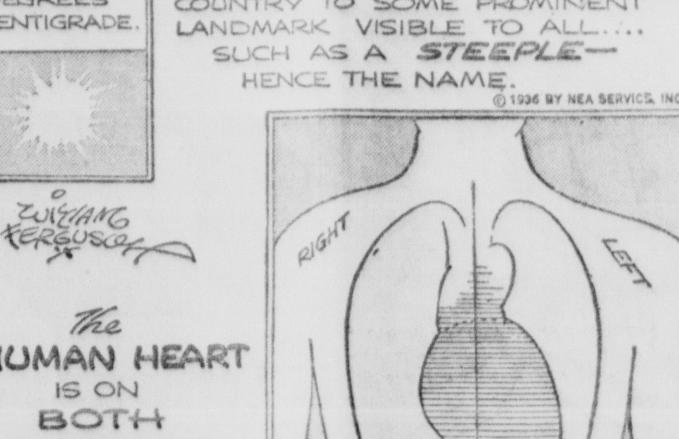

### THIS CURIOUS WORLD By William Ferguson

©1936 BY NEA SERVICES, INC.

ZELVANG KERGUSSEZ

The HUMAN HEART IS ON BOTH SIDES OF THE BODY.

THE human heart commonly is spoken of as being on the left side.

However, the body to be divided down the center of the breast bone, a considerable portion would be found in the right half. The heart beat is felt on the left side, and this has given rise to the impression that the organ lies completely on that side.

NEXT: What bird has feathers that are not waterproof?

### EASTERN STAR NORTH COUNTY NAMES HEADSY. W. MEETING WELL ATTENDED

FULLERTON, Nov. 7.—Mrs. Tanquary was elected worthy matron and Lawrence Mennes was elected worthy patron of Ami Tai chapter, O. E. S., at the regular meet at Masonic temple this week. These officers will succeed Mrs. Nettie Kirk and Edward Lacey, the latter of Santa Ana.

The annual election followed a dinner meeting. More than 50 people attended. Mrs. Anita Brown was elected associate matron and Joseph Glitz associate patron. Mrs. Oleta Edwards, secretary; Mrs. Minnie Pfeiffer, treasurer; Mrs. Pearl Hyde, conductress, and Mrs. Stella Schultz, associate conductress.

A meeting of the Friendly circle was called for November 13 at the temple at 1:30 p. m. Members whose birthdays are in November will be honored at the November 18 meeting at the temple.

### C. E. UTT HOME IS SCENE OF PARTY

TUSTIN, Nov. 7.—Mrs. C. E. Utt was hostess at a charmingly informal tea Thursday afternoon, when she entertained a group of friends at her home on Lemon Heights. Large bouquets of chrysanthemums were artistically arranged throughout the spacious rooms.

Entertainment included an original flower contest conducted by the hostess. Mrs. Calvin A. Duncan succeeded in guessing the most correct answers. Mrs. Pearl Kendall Hess, of Orange, gave an informative illustrated talk on "Alcohol and What It Does to the Human Body." Mrs. Utt, assisted by her daughter, Miss Marjorie Rawlings, served refreshments of cake, cookies and tea on individual trays.

Those invited to share the pleasant affair with Mrs. Utt and Miss Rawlings, were Mesdames E. R. Byrne, Calvin A. Duncan, Robert C. Korff, George Gaylord, William A. Hazen, Vincent Humeston, W. S. Leinberger, W. W. Tantlinger, Ruth Newman, F. C. Matthews, and J. Worth Alexander, of Tustin; Mesdames Pearl Kendall Hess and George Coleman, of Orange.

**DR. ZAISER IS SPEAKER**

GARDEN GROVE, Nov. 7.—Dr. Harry Zaiser, superintendent of the Orange General Hospital traced the history of the hospital since its establishment, at the meeting of Garden Grove Lions Club held in Blue Bird cafe Wednesday noon. This hospital is one of ten in the state to be rated as a Class A hospital, he stated. H. A. Lake was program chairman.

There will be no meeting of the club next week on account of Armistice day.

Young oysters swim about for only 48 hours, then settle down in one spot for life.

### SALUTE TO Love

BEGIN HERE TODAY  
KATE and CAROLINE MEED live on a farm with their indentured, lovable grandfather, MAJOR SAM MEED, and two other Negroes, and ALICE and ZICKIE KATE is engaged to MORGAN PRENTISS but breaks the engagement when she finds him on the point of marriage for EVE ELWELL.

Those invited to share the pleasure affair with Mrs. Utt and Miss Rawlings, were Mesdames E. R. Byrne, Calvin A. Duncan, Robert C. Korff, George Gaylord, William A. Hazen, Vincent Humeston, W. S. Leinberger, W. W. Tantlinger, Ruth Newman, F. C. Matthews, and J. Worth Alexander, of Tustin; Mesdames Pearl Kendall Hess and George Coleman, of Orange.

**KATE LAUGHED UNCERTAINLY,** cause his quietness was so deceiving.

"It doesn't seem silly to me," he told her with dignity. "I'm sorry it seems so to you. It would be rather heavenly, as I look at it."

Kate was dismayed. Was Morgan actually making love to her? But no! Things like that simply didn't happen. Morgan was engaged to marry Eve Elwell in October and this was a party in their honor. To return to the impersonal, she said, "Aren't the Cheonauts late in going to Michigan this year? They used to go the first of July."

"Later than usual," Morgan said. "But what does time matter? What does anything matter any more?"

**KATE LAUGHED UNCERTAINLY,** time matters a lot if you live in the country at preserving time. I suppose the Elwells will soon be going to Michigan, too. Of course you'll spend August with them?"

"Why do you ask that question?"

"To make conversation," Kate retorted angrily. "You've certainly contributed very little of your own accord."

"So that's it. I thought maybe my actions interested you."

"Of course your actions interest me," Kate said quickly. "I'll always be interested in you, Morgan. You've shared too much of my emotional life to seem quite like other men to me, ever."

"The happiest hours I've ever known were with you, Kate."

He leaned toward her and gathered her into a close embrace, kissing her surprised lips, caressing her surprised face. "You're not kissing back, Kate. Don't treat me like this, darling. Don't punish me for the way I've treated you. I want you again. Let's go away from this place! Let's start driving now. We can be married in the morning."

Kate pushed him from her, feeling only aversion and amazement. She knew now that her love for him was not a thing held in leash, but something dead and extinct, like an old cinder.

Kate got out of the car and closed the door. She went quickly to the house and found Cynthia. She said, "Some strong coffee for Morgan, Cyn! He's in his car, out by the garage. Sober him up before Eve finds him. I'm going home. Headache—"

"Oh," Cynthia said, looking at her swiftly. "Well, good night, darling, and thank you for coming. You'll find Caroline on the porch."

When they were nearing home, Caroline asked, "Sorry you went?"

"No," answered Kate. "Glad, I found I don't envy Eve at all. I've cleaned house."

**(To Be Continued)**

# THEATRES - LITERATURE - ART

## GABLE, DAVIES PRIZE DRAMA GREAT TEAM IN AND COMEDY AT "CAIN, MABEL" NEW THEATER

"Cain and Mabel," starring Clark Gable and Marion Davies opened at the Fox Broadway theater today in one of the most entertaining pictures that has been seen here in some time.

One of the most beautiful and tuneful musical numbers ever filmed in a motion picture, called a "Thousand Love Songs" gives Marion Davies a chance to wear six costumes in which she looks so breathtakingly gorgeous that the entire studio wardrobe department, which has made thousands of costumes in its day, is said to have streamed out en masse to an especially enlarged stage to catch a glimpse of the star while wearing in attaining it.

Irvin Cobb and Slim Summerville are Jane's chief aides in the comedy. The story concerns the effort of a fake count to marry an heiress and Jane's part in revealing his duplicity.

A news reel of interesting events all over the world completes the program.

The dancing comedian has danced in dozens of New York productions including several Winter Garden shows, several of the follies and other celebrated shows.

"Wild Brian Kent" is the second picture on the double bill. It is the story of a villain who thinks up more than the usual amount of dirty dodges to get a ranch away from a widow. Ralph Bellamy, a playboy-wastrel, is abandoned in the cattle belt by a polo team that is disgusted and tired of taking IOUs for gambling debts. His willingness to take

chances lands him with a broken head at a ranch which two lone women are trying to keep from the grasp of Stanley Andrews, the villain. Before Andrews is marched off to his well-deserved incarceration, he gets the mortgage by trickery, gives the cattle deadly anthrax and sets fire to a wheat field.

Helen Lowell, Jack Duffy, Eddie Chandler and Howard Hickman have important supporting roles under the direction of Howard Bretherton.

## Coming Attractions

### WALKER'S

The feature attractions at Walker's new comfort-stressing theater next Thursday, Friday and Saturday are "Girls' Dormitory," a thrilling love story, and "My Man Godfrey," a capricious and deliciously bad comedy.

Simone Simon, the new cinema star, tops the stellar cast of the first picture, which includes Herbert Marshall, Ruth Chatterton, Constance Collier, Dixie Dunbar, J. Edward Bromberg, John Qualen and Shirley Deane. It presents the tumultuous emotions of a young girl in love for the first time.

Carole Lombard and William Powell are the stars of the light comedy romance which is the second feature. Other players are Alice Brady, Gail Patrick, Jean Dixon, Eugene Pallette, Alan Mowbray and Franklin Pangborn.

Leading attractions which will be screened at Walker's soon include "Ramon," "Give Me Your Heart," "Swing Time," "Piccadilly Jim," "The Big Game" and "The Big Broadcast."

### FOX BROADWAY

Something decidedly different in pictures with music comes to the Fox Broadway theater on Armistice Day when Pickford-Lasky's "The Gay Desperado," begins an engagement with Nino Martini, the great singing star of radio, opera and films in the title role, and Ida Lupino and Leo Carrillo in supporting parts.

A gay, colorful romance laid below the Rio Grande, "The Gay Desperado" completely discards the usual backstage plot formula for pictures featuring famous songbirds and presents a thrill-packed, action-filled, fast-moving film story.

The handsome Martini is said to give a great performance as the gay, swashbuckling Chivo, whose glorious voice causes him to be kidnapped by a Mexican bandit chieftain (Carrillo), who adopts American gangster methods but is really a sentimental, music-loving fellow at heart.

Carrillo also kidnaps an American millionaire's weakling son, played by James Blakeley, and his sweetheart, Ida Lupino. Determined to do the right thing, Carrillo calls in his idol of the American underworld, Public Enemy No. 3, to handle the ransom negotiations.

Martini and Lupino fall in love and he manages to escape and effect the release of Blakeley through

Katharine Hepburn presents a finely drawn portrait of a woman who rebels against Victorian restrictions, and, after carving a career for herself, reverts to a man's instinct for sacrifice and a craving for love in "A Woman Rebels" which has been booked by Manager Lester J. Fountain for the Fox West Coast theater for next Friday, November 13.

"A Woman Rebels" is the story of a girl who resents her father's domination of every move, who becomes involved with a young man the night of her sister's wedding, but finds a way out of her difficulties when her sister is injured as news is brought of her husband's death on a naval ship. She brings up her own child as her sister's.

Miss Hepburn becomes the successful editor of a woman's maga-

zine, but finds success means nothing when her daughter falls in love with her half-brother.

The drama speeds up and becomes poignant in the closing sequences. The daughter flaunts her mother when she forbids her romance. Miss Hepburn, because of a visit to the boy's father, becomes involved in a divorce scandal.

Herbert Marshall steps in and clears the situation by telling the daughter who her mother is and takes the latter in his arms.

Miss Hepburn dominates the picture. Her characterization is so finely shaded that she retains sympathy throughout and in the closing sequences her work in such pictures, and I have yet to find one with a harsh opinion.

Every studio has its "Western Village," usually located miles from Hollywood. When time comes to begin a new "house opera," the village is simply populated and these "residents" are used when and if needed. Throughout production, they live in the village. Day extras are called only for sequences necessitating hundreds of people.

The same casts, directors and cameramen, the same working crews, and the same cowboy and Indian extras work in all Western pictures, consequently everybody knows everybody else. There is

a little studio atmosphere because actors wear no makeup and actresses very little. Life is utterly informal, as it is in any "cow city." Romances, sports and games, Saturday night dances, fist fights, even daily visits to the post office and bus depot—every thing common to the average small town.

The one difference is that a movie company dines en masse. Each location unit has its own kitchen crew, and food is served army-style in a huge mess hall. Good, plain food it is too, and plenty of it for brawny, healthy men and women. There is usually a movie theater, and nearly always a night campfire around which gather cowboys, who croon their plaintive prairie melodies.

On her return from abroad, Dolores Del Rio told this amusing

anecdote which has since been distorted in the re-telling, but originally was as follows: She was touring London with the director of her picture when they came upon an electric sign about the size of one of our common roadside billboards. "There," said the director, "is one of the largest displays in England."

"It's nothing compared to a sign on Broadway in New York," Miss Del Rio scoffed. "Our sign is half a block long and six stories high. It has hundreds of yards of neon tubing, and thousands of electric lights, and swimming fish and other moving figures."

"Don't you think," calmly inquired the director, "that's rawther conspicuous?"

That word "calming" in the above story reminds me of a Jack Oakie crack. Jack vows that when Mae West and the head man of her studio were bitterly quarreling, Oakie suggested to the executive that he invite Mae to "calm down and see me some time."

There are approximately 32,000,000 telephones in the world, of which number 17,000,000 are in America.

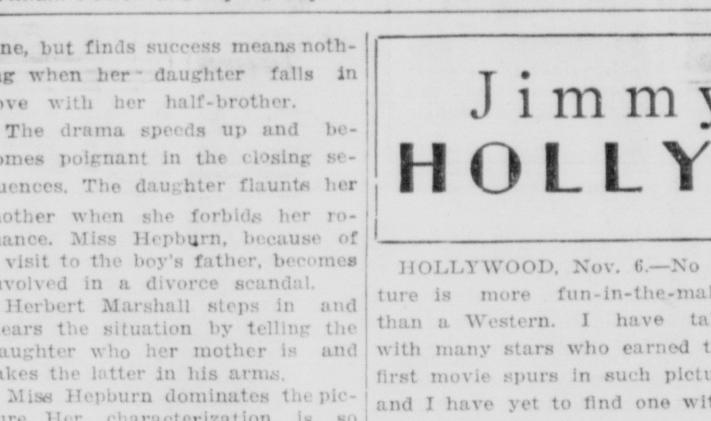

## ATTRACTIOMS AT LOCAL THEATERS

Clarke Gable and Marion Davies are shown above in a scene from "Cain and Mabel" which opened at the Fox Broadway theater today.

Hailed as the greatest picture of the year in "The Great Ziegfeld" now playing at the Fox West Coast theater. Above is a scene showing William Powell and Myrna Loy.

Many are the accusing fingers pointed at Josephine Hutchinson, wife of Pat O'Brien in a famous Sinclair Lewis novel which has been brought to the screen as "I Married a Doctor." It plays at the State Sunday and Monday.

John Boles as an infatuated husband and Rosalind Russell as an implacable wife, are starred in "Craig's Wife," which opens a four day run at Walker's new theater Sunday.

Many are the accusing fingers pointed at Josephine Hutchinson, wife of Pat O'Brien in a famous Sinclair Lewis novel which has been brought to the screen as "I Married a Doctor." It plays at the State Sunday and Monday.

## Jimmy Fidler in HOLLYWOOD

HOLLYWOOD, Nov. 6.—No picture is more fun-in-the-making than a Western. I have talked with many stars who earned their first movie spurs in such pictures, and I have yet to find one with a harsh opinion.

Every studio has its "Western Village," usually located miles from Hollywood. When time comes to begin a new "house opera," the village is simply populated and these "residents" are used when and if needed. Throughout production, they live in the village. Day extras are called only for sequences necessitating hundreds of people.

The same casts, directors and cameramen, the same working crews, and the same cowboy and Indian extras work in all Western pictures, consequently everybody knows everybody else. There is

a little studio atmosphere because actors wear no makeup and actresses very little. Life is utterly informal, as it is in any "cow city." Romances, sports and games, Saturday night dances, fist fights, even daily visits to the post office and bus depot—every thing common to the average small town.

The one difference is that a movie company dines en masse. Each location unit has its own kitchen crew, and food is served army-style in a huge mess hall. Good, plain food it is too, and plenty of it for brawny, healthy men and women. There is usually a movie theater, and nearly always a night campfire around which gather cowboys, who croon their plaintive prairie melodies.

On her return from abroad, Dolores Del Rio told this amusing

anecdote which has since been distorted in the re-telling, but originally was as follows: She was touring London with the director of her picture when they came upon an electric sign about the size of one of our common roadside billboards. "There," said the director, "is one of the largest displays in England."

"It's nothing compared to a sign on Broadway in New York," Miss Del Rio scoffed. "Our sign is half a block long and six stories high. It has hundreds of yards of neon tubing, and thousands of electric lights, and swimming fish and other moving figures."

"Don't you think," calmly inquired the director, "that's rawther conspicuous?"

That word "calming" in the above story reminds me of a Jack Oakie crack. Jack vows that when Mae West and the head man of her studio were bitterly quarreling, Oakie suggested to the executive that he invite Mae to "calm down and see me some time."

There are approximately 32,000,000 telephones in the world, of which number 17,000,000 are in America.

On her return from abroad, Dolores Del Rio told this amusing

Introducing their plan to present a duo of autumn luncheons, Mrs. George S. Briggs and her daughter, Mrs. Howard Timmons yesterday received in the Briggs home, 644 North Broadway.

To the gracious charm of the home was added the brilliance of autumn flowers which, arranged in tall vases and artistic jars, provided a vivid background for luncheon guests in their smart fall frocks. Again they were prominent in small clusters to adorn each of the individual luncheon tables, quaint little baby chrysanthemums being reserved for this arrangement. Quite in keeping with the floral note was the grouping in the dining room of the season's rich-hued fruits in combination with fascinating gourd forms. Persimmons blazed in this artistic design, with the jade or tourmaline note of grapes, and the ruby red of shining apples.

Mrs. John McKittrick lent assistance to Mrs. Briggs and Mrs. Timmons throughout the afternoon, including the checking of scores at the close of contract play. Prizes distributed among the winners at the seven tables in play, were wrapped and tied to conform to the vivid decorative effect of the party.

The seven winners were Mrs. Howard Rapp, Mrs. Sara Johnston Haddon, Mrs. Robert G. Tuttill, Mrs. Charles V. Davis, Mrs. Marguerite Borgmeyer, Mrs. Parke Roper and Mrs. C. S. Kendall. Thursday of next week has been reserved by Mrs. Briggs and Mrs. Timmons for the second of their luncheon duo.

**Junior Collegians Join  
In Scavenger Hunt  
And Party**

Miss Betty West was hostess to the Junior college department of First Methodist church Thursday night in her home at 1210 North Rose street where she served refreshments after a scavenger hunt.

The scavenger hunt was won by Deane Howell, Herbert Lycan, Maxine Rowell and Marion Bradley. After returning from the hunt, guests were seated at small tables where refreshments of pie and coffee were served. The tables were decorated in gay autumn colors, carried out by the dollies and nut cups in yellow and orange. Miss West was assisted in serving by her mother and grandmother, Mrs. Z. B. West, Mrs. M. A. Yarnell, and by Mrs. Marie Fowler, leader of the group.

Guests included the Misses Maxine Rowell, Ruth Budd, Marion Bradley, Joy Townsley, June Corry, Mildred McCollough, Evelyn Witt, Phyllis Heffke, the Misses Deane Howell, Herbert Lycan, John Matthews, Norman Caldwell, Fred Pinkston, Clifford Lee, the hostess, Miss West, and Mesdames M. A. Yarnell, Z. B. West and Marie Fowler.

**Patricia Rankin Is  
Home for Short Visit**

Making her first home visit since she enrolled at Bishop School for Girls in La Jolla in September, Miss Patricia Rankin is enjoying a short vacation with her parents, Mr. and Mrs. Herbert Rankin, 2106 North Main street.

Arriving home last night, Miss Rankin was surprised to find that her mother had assembled a group of friends for a dinner party. The Misses Joan Hockaday, Jane Downing, Dorothy Eley, Doris Jessie and Rosalie Earell were present to welcome the student home. Flowers and candles brightened the table where dinner was served to precede an evening of games.

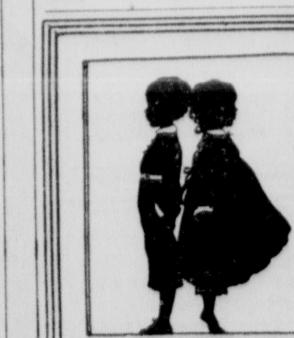

Miss Rankin expects to visit her classmate at Willard School Monday morning, returning to La Jolla in the evening. Her next visit here will be during the Christmas holidays.

**Bowker-Lowell  
Rites Held In  
Laguna**

Chrysanthemums shading from yellow to deepest bronze were massed at the candle-lit altar of St. Mary's Episcopal church in Laguna Beach this afternoon for the marriage of Miss Charlene Lowell, daughter of Mr. and Mrs. Jo Lowell, 226 North Olive street, and Britton Bowker, son of Mr. and Mrs. D. G. Bowker of Los Angeles.

The lovely decorations bore special significance, for they had been arranged by the bride's sister, Mrs. De Roy Dickson, Mrs. George Bradley and Miss Barbara Horton. Miss Horton, too, has chosen this month for her wedding, and will become the bride of Hansel Coulson on Thanksgiving day.

Fifty guests assembled at the impressive rites, read at 4 o'clock by the Rev. Robert M. Hogarth. The church organist provided a program which included the wedding march as processional and recessional.

Miss Lowell's brunet charm was accentuated by her beautiful gown of eggshell taffeta, worn with a finger tip veil. Observing bridal tradition she carried the same dainty handkerchief as had her mother, Mrs. Lowell, and her sister, Mrs. Dickson (Virginia Lowell) for their weddings. Completing the bride's costume was a Colonial bouquet of yellow roses.

**Colonial Bouquets**

Colonial bouquets in which Tallman roses and chrysanthemums shaded from yellow to bronze tones were carried by Miss Gene Chapman as maid of honor, and Mrs. Dickson, matron of honor. Both wore period style frocks, Miss Chapman in deep blue taffeta, and Mrs. Dickson in gold taffeta. A Russel Pence of Los Angeles was best man, Robert Kinsley and Joe Hall of Los Angeles were ushers.

Following the wedding was a reception in Hotel Laguna sun room, where quantities of flowers added to the attractive setting. Mrs. Lowell wore a green metallic gown and Mrs. Bowker was in coral crepe, both with corsage bouquets of gardenias.

The new Mrs. Bowker cut the first slice of her wedding cake, which was served with ice cream and coffee from a pretty laden table.

Mr. and Mrs. Bowker left for a honeymoon in Palm Springs, the bride wearing a smart three-piece grey tweed suit with danger red accessories. She and her husband will make their home at 1304 Valencia street, Tujunga. Mr. Bowker is employed in the legal department of the Los Angeles office of the Building and Loan Commissioner of the State of California. He had his early training at University of Southern California, where he was a member of Phi Sigma Kappa fraternity. Continuing his studies at University of Arizona Law school, he became affiliated with Phi Delta Phi, legal fraternity.

His bride, a member of Sigma Theta social sorority of this city, attended University of Arizona, where she became affiliated with Delta Gamma sorority. She is a graduate of Santa Ana High school.

**Neighborhood Group  
Enjoys Birthday Event**

Neighborhood friends were brought together Thursday night for a surprise party at which Mrs. John McFarlane was hostess in her home, 2212 Maple street in celebration of the birthday anniversary of Mrs. Leonard Hafer.

Monopoly was played informally during an evening which was climaxed with the serving of refreshments including a decorated birthday cake provided by Mrs. Norman Cowdry. The pretty confection and other appointments were in pink and green.

Present were Mesdames Lloyd Osborn, Howard McHenry, Earl Lepier, Sidney Messenger, Stewart Gibbs, Norman Cowdry, James Province, Lawrence Brown, James Sullivan, John McFarlane and the honoree, Mrs. Hafer.

## SOCIETIES / CLUBS / WOMEN'S ACTIVITIES

Dinner Club Hostess  
Achieves Striking  
Appointments

Receiving the members of their dinner bridge club Thursday night in their home on Tustin avenue, Mr. and Mrs. Fred Newcomb were entertained at a party of striking autumn charm.

Guests were especially intrigued with the table appointments, for the chrysanthemums which spilled from a crystal bowl on its matching plaque, were all grown from Mrs. Newcomb's own seedlings. They ranged in color from palest ivory to deep glowing bronze, and the sunny note was accented by the yellow candles flickering in crystal candlesticks. At either end of the long table, the hostess had brought together a great cluster of jewel-shaded fruits, red and purple grapes, orange persimmons, green avocados and golden bananas.

Covers were indicated for the hosts, Mr. and Mrs. Newcomb, Mr. and Mrs. William H. Wright, Mr. and Mrs. Loyd K. King, Mr. and Mrs. Orlyn Robertson, Mr. and Mrs. Clarence Nisson and Mr. and Mrs. Orlyn Robertson.

When scores were tallied at the conclusion of after-dinner contract play, Mr. and Mrs. Nisson were declared high and received the practical gift which is a club feature. In this case, they could foresee a Southern menu in prospect, as the prize was a canned ham. Whether it is to be reserved for a club meeting, was not indicated, but the fact remains that Mr. and Mrs. Nisson are to be hosts at the next dinner session.

### Contract Bridge Group Has Tournament Finals

Mrs. Hazel Bruns and Carl Johnson were winners of first and second places in Orange County Contract Bridge association's tournament which reached its climax recently with finals in which ranking players from this city, Laguna Beach and Fullerton competed.

Knights of Columbus hall was scene of the concluding event, which followed a series of three play-offs in each community represented in the contest. Mrs. Irene Jarvis of Fullerton and Albert Seaman of Orange, winners of last year's individual tournament play, received permanent cups in return for the traveling trophies which they turned over to their successors, Mrs. Bruns and Mr. Johnson. Both of the new winners are residents of this city. Mrs. Bruns having come to this community recently from San Diego.

Election of officers of Orange County Contract Bridge association took place between intervals of play. Cecil Gibbs was named president to succeed Mr. Johnson, and Mrs. Edna McMasters of Fullerton was elected secretary-treasurer.

Among those who took part in the finals were Mrs. Bruns, Mr. Johnson, Mrs. Teiford Thronson, Mr. and Mrs. Elvin Mitchell, Mrs. Sara Johnston Haddow, Santa Ana; Mrs. C. Benson, C. J. Valente, J. Darroll, Mr. and Mrs. Dale De Klyne, M. Santos, Ralph Frost, Charles Lester, A. Dyckman, Laguna Beach; Mrs. Ebeling, Mr. and Mrs. Cecil Gibbs, Mrs. Irene Jarvis, Leon Weiss, E. Lindberg, Mrs. Edna McMasters, Fullerton; Ralph Graves, Albert Seaman, Orange.

The association's pair championship tournament will be held in March, and teams of four will participate in a contest to be held next summer.

### Santa Anans Return From Interesting Trip

Mr. and Mrs. Henry Walters, 1695 East Fourth street, returned to their home this week after a six weeks' absence during which Mr. Walters visited with relatives in Central City, Nebr., and Mrs. Walters was joined by four sisters for a trip to Florida.

The Santa Anans left here by automobile September 26, and were joined in Alameda by Mrs. Walters' sister, Mrs. Guy Gardner, formerly of this city. Mr. Walters stopped off in Central City with his brother-in-law, Edward Osterman, while Mrs. Walters, Mrs. Gardner and two other sisters, Mrs. Carl Hanson and Mrs. Harry Powell of Central City continued their journey.

Joined by another sister, Mrs. Joseph Beatty at Fremont, Nebr., the close family group continued to Bradenton, Fla., to visit with a sixth sister, Mrs. George Stafford. Mrs. Stafford and the visitors traveled to various points in Florida.

The reunion of the sisters was the second in three years' time, the last get-together taking place in Central City.

### Hostess Here From Desert Resort To Present Party

Returning today to her former home city of Santa Ana, Mrs. Stanley A. Clem of Palm Springs was to preside this afternoon as hostess at a charmingly appointed tea in the Doris Kathryn, Mr. and Mrs. Clem and their children have been occupying their Palm Springs home during the autumn months.

Invitations to this function were issued a week or so ago by Mrs. Clem, who had no opportunity to say farewell of her many friends here when Mr. Clem made arrangements to identify himself with the business life of Phoenix, Ariz. In making her plans for entertaining, the hostess had assistance from a little very close friend who arranged to give the popular tea rooms their colorful flower setting. So arrival of the Clem's this forenoon, found all in readiness for the afternoon's hospitality.

#### Floral Note

Flower decorations were designed to give emphasis to the rich autumn hues in which the sunny golden note is predominant. Especially lovely were the ten table appointments planned by the co-hostesses. The group included Mrs. Charles Swanner of Orange; Mrs. Ray Lambert, Mrs. L. R. Wilson, Mrs. S. H. Long and Mrs. Good Adams, of Tustin. Of these assistants, Mrs. Swanner was asked to serve throughout the rooms, as the prize was a canned ham. Whether it is to be reserved for a club meeting, was not indicated, but the fact remains that Mr. and Mrs. Nisson are to be hosts at the next dinner session.

The table itself offered a charming study of flower arrangement, but interest might be said to center in the low silver bowl and its glorious flowers centering the lace spread, candle-lit table. For this bowl is the farewell gift to Mrs. Clem of her P. E. O. sisters in Chapter DL.

Mesdames Earl Gardner, Maurice Price, L. D. Wallington, Louis Bauer, George Harding, Boland; Martin Murray, Clarence Groves, Oceanview; Anna Van Steenberg, Midway City; George Shubert, Anaheim; Orville Shubert, Long Beach; B. E. Mortland, L. T. Clem, L. Cotant, the Misses Dorothy Mortland, Marie Mortland, Elba Long, Helen Long, Claire Cotant, Los Angeles; Mrs. P. D. Cushing, Ontario, and Mrs. H. L. Budington, Yorba Linda.

### Sewing Club Has School Day Party

Stitch and Chatter club members made a school day party of their meeting this week in the home of Mrs. W. W. Adamson, 1017 North Rose street.

Appropriate contests were conducted by Mrs. Walter Ozment, "teacher" for the afternoon. In addition was an impromptu program to which each guest contributed a poem or reading. Sewing occupied the smart gowns worn by the assisting hostesses and by the guests, flowers, friendliness and general gayety conspired in making the afternoon a delightful one, and in removing the sorrow from the farewells expressed.

This evening will see the departure of the Clem's for Palm Springs to remain over the week end. Early next week they will proceed to Phoenix where Mr. Clem is entering the lumber business. He was former vice president and sales manager of the Santa Ana Lumber company. For several years past, he and Mrs. Clem and their daughter and son, Gloria and Billie Dick, have made their home in the Wintersburg community, although they retained their various social and civic associations in this city.

#### Many Guests

Friends to whom invitations were issued for today's farewell tea included Mesdames Nat Neff, Nina Hall, O. Scott McFarland, G. Dowds, A. J. Cruckshank, Louis Braasch, George Raymer, Italy Lee, Melvin Trickey, John Tessmann, F. E. Coulter, Frank A. Peterson, Arthur Koepsel, D. G. # EIGHT ARRESTS MADE FRIDAY FOR SPEEDING

## ARMISTICE DAY PROGRAM TO BE ON ABBEY HOUR

Speedsters were plentiful in Santa Ana yesterday for eight arrests were made during the day, police records showed.

G. L. Phillips, Anaheim; Frances Johans, Laguna Beach, and John Paul Fisher, Glendale, paid \$5 for speeding Friday.

Roy Allison Seaman, Laguna Beach, and Conrad Lee, Fullerton, were other speeders that were assessed \$5.

Leo Cornelius Maley, Anaheim, was certified to the juvenile court after being caught exceeding the speed limit. James Smith Haynes, 134 North Garnsey, Santa Ana, sped to a \$5 fine, while Roy Darzatz, Anaheim, doled out \$5 for the same purpose.

Four men were arrested for failure to make boulevard stops, and were fined \$2. G. L. Champion, 1033 West Walnut, Santa Ana; Y. Gonzales, Anaheim; S. S. Palmer, Huntington Beach, and Ranel Solis, 119 Floral street, Santa Ana, were the violators. Solis could pay but \$1 and agreed to have the other one within 10 days.

Andrew Oviedo, 913 East Pine, Santa Ana, paid a \$5 fine for having no operator's license. Thomas Viga, El Modena, was assessed \$6 for double parking and no operator's license. Viga could not pay fine and agreed to work it out.

## NATIVE ASSYRIAN AT BAPTIST CHURCH

"Conditions in Palestine Today" will be the subject presented at the First Baptist church at the Sunday evening service by a native Assyrian, Taufik Aboosh.

Mr. Aboosh lived for 20 years in Jerusalem before coming to this country, and for a number of years has been conducting parties to Palestine for purposes of touring or for archaeological research.

His particular subject will be "Palestine under Turkish Rule and under English Mandate." The address should be of special interest to church school people because Bible history centers in this country, and will be of interest to the general public because of the world significance of happenings in Palestine just now. All are invited to be present. An offering will be taken.

The hour of service is seven o'clock.

## DISABLED VETS TO ATTEND SERVICES

At the invitation of the Rev. W. J. Hatter, Jack Fisher chapter, Disabled American Veterans of the World War and the Women's Auxiliary, will attend special Armistice Day services at the Church of the Messiah tomorrow morning at 11 o'clock.

Commander John Cleary announced that all chapter and auxiliary members will meet at Seventh and Bush streets at 10:45 a.m. promptly and enter the church in a body.

Attention is also directed to a radio broadcast by M. Froome Barbour, of Cincinnati, Ohio, National Commander of the D. A. V. organization Monday evening from 7:15 to 7:30 p. m. P. S. T. This address, the annual Armistice Day message from headquarters, will be heard over the Blue network of the National Broadcasting company's system.

## COL. JACKSON TO SPEAK HERE SUNDAY

Col. and Mrs. A. D. Jackson the divisional commanders for Southern California will be in Santa Ana Sunday. The Colonel will conduct a special service in the morning at 11 o'clock. There will also be a Young People's meeting at 6 p. m., and an old time Salvation meeting at 8 p. m.

## Reflections

Copyrighted 1936  
By HAROLD B. BROWN

### Armistice Day

November 11th, 1918, an order was telegraphed "Cease Firing". At that time we knew where the enemy was and who he was. We knew where to aim to reach his vulnerable point. Today we know we have an enemy, we know he is within our borders but we don't know where to find him.

Today our order should be concentration and heavy artillery fire upon known headquarters of Communism to annihilate them. These are the places from which much of our discord emanates. Its membership should be arrested. Those who are American Citizens should be sent to prison; those who are not, should be given a Red Flag and deported to the land of their choice.

You sit in placid complacency, you enjoy the privileges of our democracy. You wave

the flag when the occasion demands, but are you a patriot? Are you girding your loins for battle, battle with a force so strong that it has enlisted men in high places, who thus dignify some of Red Russia's tenets?

Friends, our United States needs patriots who believe in her future destiny; who are not willing to allow a strange alien power to infringe one iota of our sacred heritage.

On Nov. 11th will you join me in re-dedicating ourselves to these United States, that we may drive from our shores this sinister influence? Let us erase from our fireside the shadow of chaos.

# COME TO CHURCH

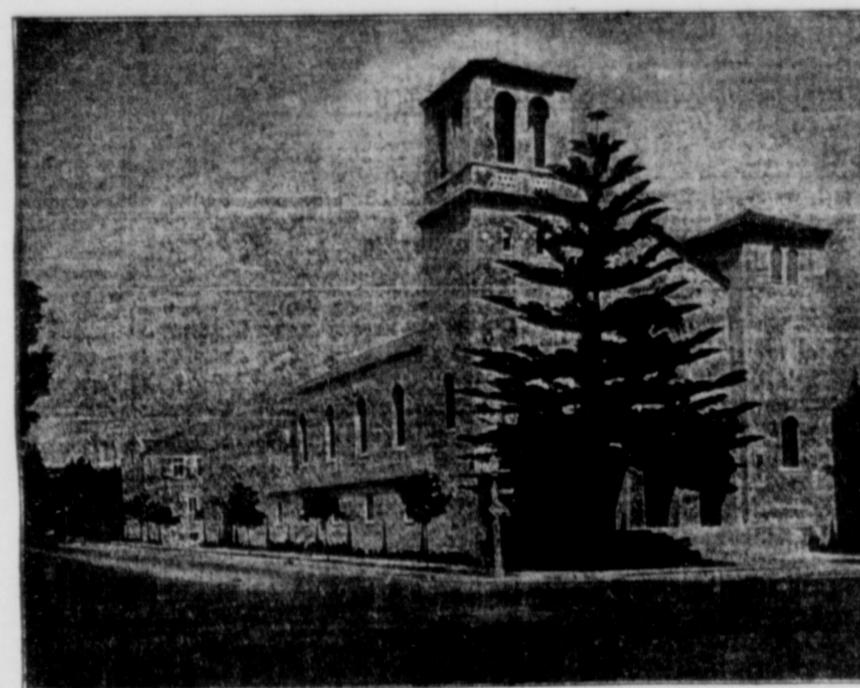

*The Church is the meeting place for God and His People*

REV. E. DOW HOFFMAN

## A SERMONETTE "COME TO CHURCH CAMPAIGN"

By E. DOW HOFFMAN, Pastor  
First Methodist Church, Fullerton

FIRST METHODIST CHURCH, FULLERTON

content in the faith that God is at the helm.

In the second place, the successful business man, too busy to take time for religion, too rich in this world's goods to feel the need of the "Treasures laid up in Heaven", will, as so many have in this day, realize just how uncertain earthly possessions are. Thousands, who a short time ago thought that they were financially secure and independent, have come to the place where they are actually in want and have been reduced to actual poverty and want almost over night, and like the Prodigal Son, have been forced to take stock of themselves, and are realizing that only in the Father's house is there absolute security for mankind, "and he said unto himself I will arise and go unto my Father", thus they are drawn back again toward the Kingdom of God.

In the third place, what about the sinner who has broken the law and is subject to its penalties? Why should he be drawn to Jesus?

"The wages of sin is death, but the gift of God is life eternal through Jesus Christ our Lord". Sin exacts its toll of Death—but Jesus offers the gift of life, and men want to live. Therefore, if men can be persuaded that Jesus is "the way, the truth and the life", they will be drawn unto him. It is our task to lift up the Christ that men might see him as he is—a Saviour who is able and anxious

that all men might be saved from their sins. None would be lost, if Jesus had His way, yet man himself must choose for himself death or life.

Two thieves hung on the cross, one on the right and one on the left. Each man was there because of his crimes against society. Each was being punished according to the law of the land. One saw the matchless love of Christ and was drawn unto him. He cried out, "Lord, remember me when thou comest into thy kingdom," and the Lord answered, "This day thou shalt be with me in paradise". The other man, sinful like unto the first, set his will against being drawn unto Jesus; he cursed and mocked and reviled him. With an unspeakable love and yearning Jesus looked upon him, but he refused that love and forgiveness, and died a horrible death in his sins. The choice is for every man individually.

Jesus said, "And I, if I be lifted up, will draw all men unto me," but that attraction is not compulsory. Man's right of freedom of choice is not infringed upon, but his refusal breaks the heart of Christ.

We hear him cry in agony of love and longing, "O Jerusalem, O Jerusalem, how oft would I have gathered ye under my wings as a hen gathers her chickens, but ye WOULD NOT."

This Movement Is Made Possible by These Outstanding Public Spirited Citizens Who Are Striving to Make Our Community a Better Place in Which to Live.

## MRS. JACK ZINN IS HOSTESS TO GROUP

LA HABRA Nov. 7.—Mrs. C. Jack Zinn was hostess Thursday afternoon to a group of friends, with a bridge luncheon at the Hughes cafe in Fullerton. Tables were decorated with chrysanthemums, candies and other appointments carrying out the amber and rust color motif of autumn. Prizes in the contract bridge games which followed the luncheon were won by Mrs. J. A. Chewning, high; Mrs. A. V. Douglass, second; Mrs. L. H. Brewer, third and Mrs. R. M. Seamans, consolation.

Those attending were Mrs. Gus Lindauer, Mrs. A. V. Douglas, Mrs. A. W. McBride, Mrs. Maynard Hicks, Mrs. R. W. Walling, Mrs. R. F. Frantz, Mrs. J. A. Chewning, Mrs. John W. F. Smith, Mrs. A. J. Young, Mrs. L. H. Brewer, Mrs. George Soule, Mrs. Grant A. Van Valin, Mrs. William Sutherland, Mrs. Louis Muchow, Mrs. Charles Walker, Mrs. Walter Hole, Mrs. A. J. Wilson, Mrs. O. T. Stephens, Mrs. R. W. Vandervoer, Mrs. E. H. Little, Mrs. N. M. Launer, all of La Habra; Mrs. R. M. Seamans and Mrs. Ramsey of Fullerton.

**ANSWER TO YESTERDAY'S TWIZZLER**  
The current of the stream helps the man in the boat going down just as much as it hindered him going up so if he rows upstream ten minutes it will take another ten minutes to catch the bottle which travelled, therefore, the three miles in twenty-minutes or at a rate of nine miles per hour. (Copyright John F. Dille Company)

## STUDENTS SPONSOR BENEFIT HAYRIDE

SAN JUAN CAPISTRANO, Nov. 7.—At 7 o'clock last Friday night a caravan of three hay wagons slowly and creakingly left the Capistrano union high school and disappeared into the night. Aboard the wagons in all manner of appropriate garb were the gay and noisy students and faculty intent on fun and helping the Girls' Athletic association to realize the desire for a clubroom.

Not until nearly 9 o'clock did the wagons reappear so that those enjoying the hay ride could join with the public in the high school auditorium for a Hallowe'en barn dance.

Aaron Buchheim, member of the board of trustees was head driver for the hay ride. Invited as patrons and patronees for the dance were: Mr. and Mrs. John M. Ray, Mr. and Mrs. David L. Stoddard, Mr. and Mrs. G. P. Evans, Miss Margaret DeJonge, director of girls' athletics, and faculty sponsor for the benefit party, was assisted by these committee chairmen: Charlotte Buchheim, hayride; Hilda Haven, directions; Nadine Schlosser, refreshments; June Rogers, music; Beth Haven, publicity; Ruby Crawley, tickets; Esther Creighton, cleaning.

Approximately \$20 was realized from the dance. This will be used to furnish and decorate a room in the gymnasium which Mr. Richards has given to the girls' association. The room was formerly used as an agriculture class room. The girls are planning to paint the walls of the room pale green with antique white for the woodwork and rust colored curtains and covers for the daybeds.

Twenty per cent of the foreign commerce of the United States is handled on New York's 150 miles of docks.

## Modern Poets

By MISS BEULAH MAY

**DOG AT NIGHT**  
Louis Untermeyer  
At first he stirs uneasily in sleep  
And, since the moon does not  
run off, unfolds  
Protesting paws. Grumbling that  
he must keep  
Both eyes awake, he whim-  
pers, then he scolds  
And, rising to his feet, demands  
to know  
The stranger's business. You  
who break the dark  
With innocent light—who are you?  
Where do you go?

But nothing answers his im-  
dignant bark.  
The moon ignores him, walking  
on as though  
Dogs never were. Stiffened to  
fury now,  
His small hairs stand upright,  
howls come fast,  
And terrible to hear is his bow-  
wow  
That tears the night. Stirred  
by this bugle-blast,  
The farmer's bitch grows active,  
without pause  
Summons her mastiff and the  
hound that lies  
Three fields away to rally to the  
cause.

And the next county wakes.  
And miles beyond  
Throats tear themselves and  
brassy lungs respond  
With threats, entreaties, bel-  
lowings and cries,  
Chasing the white intruder down  
the skies.

Saturday Review of Literature

## OLD DOG AUTUMN

Old Dog Autumn with gold-brown  
A lazy fellow with lop ears.  
All Summer long he has dozed  
apart  
But now he stretches, and now  
he peers.

Old Dog Autumn with gold-brown  
coat,  
And nose of velvet and big paws;  
With deep eyes and with hand-  
some throat,  
And with tongue as pink as the  
fruit of haws.

He tells me that quail are covied  
close  
In the sweetgum hedgerows be-  
yond the hill.  
He gets to his feet, and he lifts  
his nose  
To catch the scent, as a good dog  
will.

He tells me that frost has cut the  
sedge.  
He tells me the air is crisp and  
fine.  
He says that the wind has a  
knife-keen edge  
And that fields are ruddy as ripe  
old wine.

Thomas Caldecott Chubb in New  
York Times.

## Operetta

The cast for the operetta, "Who's Who," to be presented December 4, is working on the third act, and is making nice progress, according to the directors, Miss Davis, Miss Glancy and Mr. Michel.

A dance for Act II is being planned by Miss Anderson and the girls will be chosen soon for the feature. The cast includes Audrey Benson, the King of King's hall; Daryl Sherley and Bob Davy, first and second knights; Harold Montano and Chester Briner, Bob and Jerry, the jesters; Warren McCarty, guardian of the gate; Kenneth Goodman, janitor; Bill Hull, Daniel O'Rourke McGinnes, policeman; Dorothy Fraser, president of Crane House, a club; Betty Love, Betty; Carroll Miller, Jean; Carroll Brinkerhoff, Mary the Cook; Beth Mitchel, Anne the Maid.

Miss Glancy has charge of the scenery for the operetta, in which the Senior Girls and the Boys' Glee clubs will also take part.

Sally Cardon, Dorothy Leighton, Billie Ruth Latham, and Bob Wright of the ninth grade craft class, under the supervision of Miss Glancy, made blocks for the tailles for the P.T.A. benefit, to be given November 13 in the Willard cafeteria.

The tailles are put on screening and mounted against the typical bright colors of Mexico.

Lee Randall, another member of the class, is tooling a large leather portfolio for stationery.

Mr. Miller of the Santa Ana Fire Department, gave an introductory talk preceding fire prevention movies at a special assembly for ninth graders called by Mr. Mitchell recently in the school auditorium.

A fire prevention picture "The Bad Master" was the feature, followed by a Laurel and Hardy and a Mickey Mouse comedy, showing students how fire prevention should be conducted.

Mr. Hicks of the Willard Faculty, gave an interesting demonstration feature before the Junior college engineering club at its latest meeting.

The subject was "Characteristics of Audio Frequencies." Comparisons were made of different types of phonograph pick-up, amplifiers and loud speakers. The wave forms of various sounds were shown with a cathode-ray oscilloscope.

Mr. Hicks will conduct a class in Radio Electricity at the Junior College next semester.

A discussion of the fall program of the Southern California Association of Teachers of English, held October 31 at the University of Southern California, featured the semi-monthly meeting of the English department, held Monday, November 2, in the home economics dining room. Mrs. M. L. Scott, chairman, presided.

The discussion was led by Mrs. Budd, Mrs. Meeks, Miss Plum and Mrs. Smith, who reported on

# SOCIETY

Quotation Provides Club Program Theme

Wardsworth's words, "A creature not too bright or good for human nature's daily food," provided the program theme for Pegasus members Thursday afternoon when they held a semi-monthly meeting. Mrs. Malcolm Macurda, who was in charge of the program, gave a short sketch of Wardsworth's life. Mrs. George Bond read poems, "A Change of Mind" and "Another Morning"; Mrs. Earl Morris read "Kindly Eyes"; Mrs. Caleb Jackson reviewed "Eat, Drink and be Wary," a book dealing with food.

"Mrs. Frank Was Read" "The Little Blessing," another in her series of Marcella stories; Mrs. Frank Lansdown read a story, "The Hidden Letter"; Mrs. Walter Foote read a poem, "The Other Woman."

Mrs. Charles Briscoe sang "My Lovely Cells" and a second number, "Nocturne" for which music had been written by Mrs. Briscoe and words by Mrs. Briscoe.

Having just returned from a trip north, Mrs. Macurda's contribution was "Over Western Highways."

Mrs. J. B. Wolfe read "Missionaries as Daily Food"; Mrs. Justus Birthright, "Too Immaculate" and two children's poems.

Completing the group present were Mrs. Rose Havely, Mrs. Ray Brown and Mrs. Grace Perkins.

Announcement was made that the next meeting will be held in the home of Mrs. Jackson, 520 East Chestnut street, where luncheon will be served at one o'clock.

## Visitor From Indiana Shares Pleasant Hospitalities

Mrs. John J. Vernon, 2020 Santiago avenue and her sister, Mrs. Charles Rumell of South Bend, Ind., were in Long Beach Thursday afternoon for a luncheon at which Mrs. Rumell was honored in the home of Mrs. J. B. Nelson.

A dozen Long Beach friends of the hostess and Mrs. Vernon were assembled to meet the Indiana resident, who is making an extensive stay in the Southland. Orange, yellow and brown hues predominated in all appointments for a three course luncheon served to precede bridge play.

In addition to prizes for winners in cards, Mrs. Nelson presented to Mrs. Rumell.

**In Vernon Home**

Mrs. Rumell was guest at a bridge club party given Wednesday evening when Mrs. Vernon was hostess in her home. Roses and bouquets of sunny marigolds provided a colorful setting for the affair.

Place cards designed as turkeys were in keeping with a Thanksgiving motif which prevailed throughout the evening. Dessert was served to precede card play in which Mrs. Herbert Krahling and Mrs. F. A. Burkett won first and second high scores, receiving cosmetic prizes.

Present in addition to Mrs. Vernon and Mrs. Rumell were Mesdames Don Morley, Jessie Elliott, Herbert Krahling, S. A. Jones, F. A. Burkett and Miss Clara Richards.

**Ebell Husbands to Be Guests Monday Night**

Countless men of the city today were congratulating themselves upon their good fortune in being "Ebell husbands," and as such, having in prospect the interesting program of Monday night featuring H. B. Kaltenborn, that prince of broadcasters.

In arranging a courtesy program especially for husbands of members, the program committee of Ebell society gave recognition to the fact that virtually all men are radio-minded, and therefore have listened in many times on this Columbia System's ace broadcaster as he discussed news happenings of the world.

During the past summer months he has toured Europe and broadcast current happenings from Danzig, Madrid, Paris and similar points of interest. Some of his varied experiences will be incorporated in his talk Monday night, the subject for which he has announced as "We Look at the World."

Considering the fact that he has been analyzing national and international affairs as a radio speaker for the past 15 years, it may be understood just what an interesting program the clubwomen have arranged for their husbands. Mrs. Fred C. Rowland will introduce the speaker at 8 o'clock in the auditorium of the clubhouse.

**Dinner Hostess Pays Honor to Sister**

Election night numbered among its many gay parties, one at which Mrs. Jeff C. Hoses of 1402 Duran street, complimented her sister, Mrs. Lula Goodman of Moab, Utah.

Mrs. Goodman has been here since the first of October but plans to bring her visit to a close next week when she returns to her Utah home. So Mrs. Hoses' party Wednesday night was more or less a farewell event. Guests were invited to dine, and found the table very charming with its flowers and graceful vine tendrils. Pottery in vivid colors was used for serving the tempting menu.

Bridge play of the after-dinner hours yielded prizes to Mrs. Sadie Patton and Mrs. Paul Patton. Play was not continuous for the games were stopped from time to time to follow election returns and also for a series of interesting folk dances in which the guests were coached by Mrs. Edna Wells.

Mrs. Hoses' guests included with her sister, Mrs. Goodman, Mesdames Sadie Patton, Edna Wells, Paul Patton, Frank E. Thomas, Bebe Meyer and Sallie G. Barlow.

## You And Your Friends

Mr. and Mrs. Frederick Young of Balboa were recent guests of Mr. and Mrs. T. E. Williams, 2477 Riverside drive. Mr. Young is leaving next week on the S. S. Makura for a six weeks' stay in Tahiti. The liner he is taking is one of the New Zealand Steamship company liners that goes directly to New Zealand, with Tahiti its first stop. The Makura will be the last boat to leave American ports that will have Tahiti on its ports of call. Mr. Young will return on a French liner via Panama Canal, which will be the only route when the American service is discontinued.

Walter Bruce of Lancaster, who has been spending the last three days at the home of Mr. and Mrs. Cecil Yates, Red Hill road, Tustin, returned to his home today.

## Church Societies

**First Christian**

Homer Chaney gave a talk on "Peace" Wednesday afternoon on a program presented for First Christian Missionary and Ladies' Aid societies in the educational building.

The two church groups met in all-day session, devoting morning hours to quilting. Luncheon at noon was served under direction of Mrs. T. D. Knights.

Bible study conducted by the Rev. W. S. Buchanan was followed by devotions led by Mrs. Thomas Williams and group singing led by Mrs. C. F. Skirvin. Mrs. C. E. Price, president of the Missionary society, conducted a short business meeting, after which Mrs. M. D. Haskell introduced Mr. Chany.

**MORE PHONES IN HAWAII**

HONOLULU (UPI)—General business improvement thus far this year has extended to utilities, according to the Honolulu Chamber of Commerce. There was a sharp increase in the number of telephone stations installed and the number of street car and bus riders.

## ONE TRIAL IN 130 YEARS

CANTON, Conn. (UPI)—In the 130 years since this town was incorporated in 1806, only one jury trial ever has been held. A six-man jury recently deliberated the right of Miss Doris Bond to remain in the old home owned by her late father, which was erected in 1776.

**Weekly Citrus Review**

LOS ANGELES, Nov. 7.—(UPI) The market on California valencias was higher on medium to large sizes with slight improvement on prices for small sizes, good quality. Prices remained the same on off-quality condition fruit.

This week will see the completion of interstate valencia shipments, and early light cement, naval oranges, and California oranges in eastern markets next week will be very light.

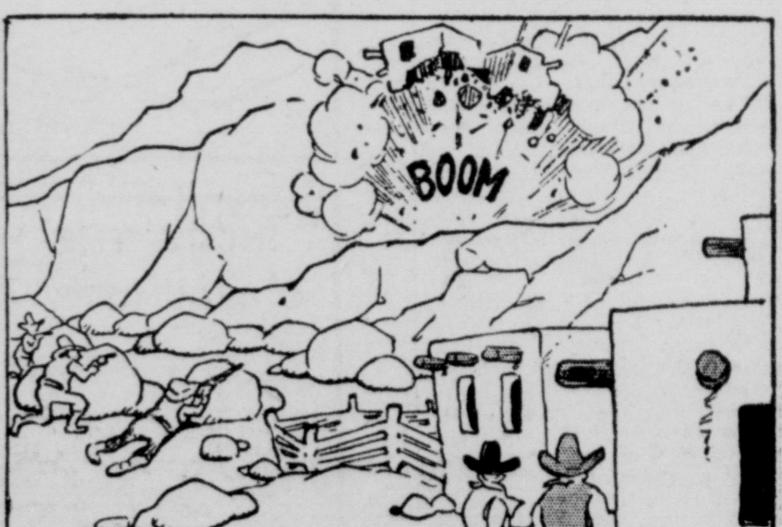

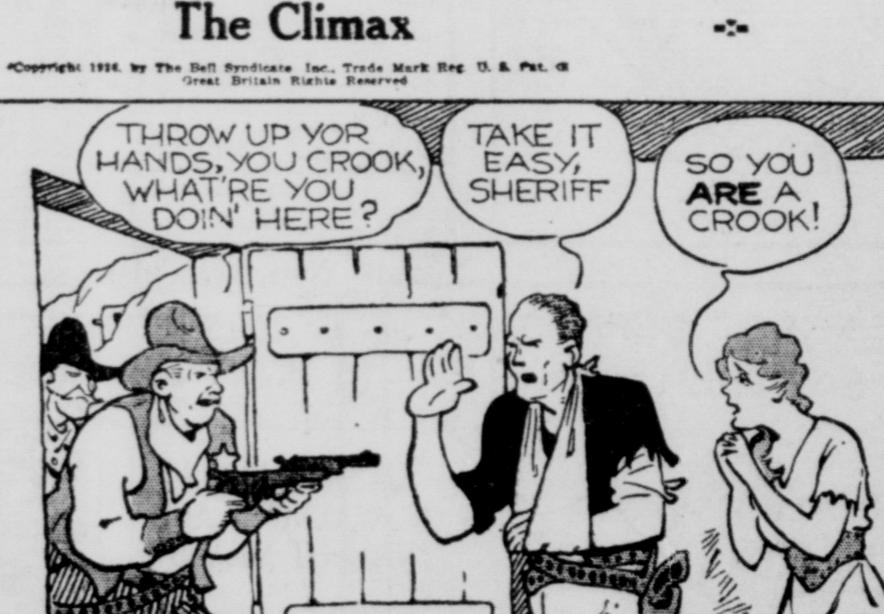

The prorate set for next week is as follows: Valencias, 50¢ per-interstate 40¢ each; Intrastate Navels—Centra 10¢, land Northern 1050¢ Intrastate, and 55¢ each; Intrastate, desert-valley-Ariz., 50¢ each.

California mandarins, California lemons shows little change. F. O. B. quotations are on a scale of \$6 to \$8.25 per box on 300bs; \$5 to \$5.50 on 360bs; \$3.25 to \$4.00 on 400bs; \$2.75 to \$3 on 450bs.

There are on hand and available for sale within the next 30 days in all United States ports no foreign lemon. In 1935 there were 5 cars; 1934, 6 cars; 1933, none; 1932, 51 cars and 1931, 46 cars.

## FINANCIAL AND MARKET NEWS

### NEW YORK STOCKS

NEW YORK, Nov. 7.—(UPI)—Merchant shares, amusements and motion picture stocks were up, appreciated by heavy dividends, distributions and wage increases—featured a strong, active stock market session today.

The only mar on the list was the railroad group, and even that met meager support just before the close. The last part of the session was the most lively with tickers again

Dozens of stocks were carried into new high ground for the year and the Dow Jones average made a record high since 1931.

Chrysler Corporation reached 156% up 1%, and new high since 1928. General Mills made a new high in

1933, 15% up 7%. Other issues to make new tops for the year longer included American Telephone 182% up 1%; Spiegel-May-Stern 100% up 5%; National Department stores 15%, up 1%; Loew's 16% up 4%; Warner Brothers Pictures 16% up 4%; Gimbel 24% up 1%; General Electric 15% up 1%; International Harvester 15% up 1%; and American Rolling Mill 15% up 1%.

After their setbacks yesterday, the merchant shares made swift recoveries and trading seemed better than previous days for finished steel products would be forthcoming in sufficient amounts to offset the increased amounts to the advance in wages which are effective November 1.

Trading in steel was more than point, Bethlehem also was more than a point higher.

Other issues to make new tops for the year longer included American Telephone 182% up 1%; Spiegel-May-Stern 100% up 5%; National Department stores 15%, up 1%; Loew's 16% up 4%; Warner Brothers Pictures 16% up 4%; Gimbel 24% up 1%; General Electric 15% up 1%; International Harvester 15% up 1%; and American Rolling Mill 15% up 1%.

## DO NEWSPAPERS MOLD PUBLIC OPINION?

If they do, how do the people explain the results of the election? A very large fraction of the newspapers in the North were against the re-election of President Roosevelt. If they ever did mold public opinion, they certainly have lost their ability to mold it now, judging from results.

We never believed that newspapers molded public opinion. It has always been our contention that the newspapers are more like a gardener than a potter who molds things. The newspaper really brings information, opinion and data to the people so that they can develop, as a result of this data. It is a slow process and too often newspapers have not fairly and impartially presented the facts and opinions so that the people could intelligently proceed. A gardener brings light, moisture and different substances together in harmony with the natural laws of warmth and chemistry so that the vegetation may grow and develop; just so a newspaper should function in bringing information, opinions and conclusions to the people so that they may develop.

## INCONSISTENCY

We were accused by a Santa Ana business man of being inconsistent because we never protested against the money the Federal government was expending in Orange county.

We cannot see how it is inconsistent to try to get every dollar for Orange county that is possible so long as it is the policy of the Federal government to make expenditures in other parts of the country. We can be consistently opposed to the Federal government performing any local services to any part of the government but so long as they perform any service to any part of the government it is only self preservation to get all we can while this policy is in vogue.

Any citizen can be opposed to the use of submarines but if submarines are to be used by anyone, it is necessary to use submarines to preserve your own life; just as one can be opposed to using a gun to kill. If an enemy attempts to kill you, it is not inconsistent to attempt to kill him before he destroys your life.

We will not plead guilty to being inconsistent because we believe that Orange county should exist as such in Spain, the government using them for whatever purpose it deems fit, such as warehouses, factories, etc. Others are closed forever.

## RESPONSIBILITY AND POWER

We seem to forget that to give any party or group of people power or authority without holding them responsible or accountable for their acts is bound to be disastrous.

When we permit a man to drive an automobile, we hold him responsible not to damage other people's property or to injure people. It is true that plenty of people drive automobiles who are financially irresponsible. Yet, they have certain moral character before they are permitted to operate a machine. We do not allow a person to operate a machine who is irresponsible mentally or physically. In the same manner, we do not allow people to have guns, sell or distribute dangerous narcotics, who are not accountable or responsible.

Yet, we permit everyone to exercise the right of franchise, even if they are not willing to assume the responsibility of caring for their own support. We do not even hold them responsible for any production whatever and they have the right to vote as to how rapidly any industry can grow and practically regulate contractual relations. The results, with permitting this great power and authority without holding the individual responsible for even his own support, can do unlimited injury to society. It is certainly a most dangerous custom and habit to give any man or group of men power and authority without holding him responsible or accountable to society for the way this power and authority is used. To separate authority and power from responsibility and accountabil-

ity in political life is just as absurd as it would be in a private business to give any man or group of men unlimited authority to control it and in no way hold the individual responsible for the results.

We are reaping now the results in our political and economic life of separating responsibility from authority. We have ten million people out of work and the great majority of people working for much lower wages than they should work for because of separating responsibility from authority.

We have permitted people to accumulate vast amounts of wealth and relieve them from the responsibility and accountability of using this wealth for the common good. We have permitted people to exercise the right of franchise in an attempt to control the unsocial acts of private citizens with the use they make of their property and we have not required the private citizens to even assume the responsibility of supporting themselves. We have given almost unlimited authority to the individual in franchise and required of him nothing in return. He is not responsible for the results but he demands and holds accountable others to be responsible for producing results that he helps control.

Truly, the responsibility of wealth must go with the wealth. Just as truly, the granting of authority to the individual to help run the government and society must carry with it the responsibility of the individual to be able to adjust himself to society to contribute as much to the maintenance of society as he claims the right to appropriate to his own use.

A ruler or law-making body, whether it be a pure monarchy or a pure democracy, that does not assume responsibility and accountability with the power and authority it has, eventually so weakens the whole structure that it becomes superseded by some authority or power that is willing to assume responsibility and accountability to those people who gave this authority and power.

Power and responsibility cannot be separated.

## BARRING WORSHIPPERS

We notice a picture of a church in Spain where the workmen are building a brick wall over the entrance. Under the picture is the comment: "Workmen sealing' church in Barcelona. All places of worship have ceased to exist as such in Spain, the government using them for whatever purpose it deems fit, such as warehouses, factories, etc. Others are closed forever."

To us this is a concrete example of a democracy without a constitution which preserves personal rights. Without a constitution preserving the rights of the individual, the voting majority has a right, of course, to destroy churches and suppress opinions and beliefs as the voting majority sees fit. The dangers of a democracy without a constitution are even greater than the dangers of a monarchy. A monarchy, when it gets too unreasonable, can be much more easily educated or exterminated than the voting majority when it fails to have respect for other people's rights.

## A GOOD SELECTION

We congratulate the Farm Bureau for the selecting of D. R. Gardner as president of the Orange County Farm Bureau.

We have had the pleasure of having several personal chats with Mr. Gardner and we find him to be a man of sound principles and a clear thinker. He is a man who has respect for other people's rights and is willing to put into society as much or more than he asks society to deliver to him.

It reflects very high credit on the Farm Bureau to select men such as Mr. Gardner as the leader of its organization. Mr. Gardner is not only a practical worker, but is a student and has an analytical mind which is governed by the principle that the universal rule is the Golden Rule.

The Farm Bureau will undoubtedly have a sound and good influence in the community with leadership of this kind.

## Business Men See Dark Clouds Ahead

## Day By Day In Washington

BY DAVID LAWRENCE  
(Copyright, 1936)

**WASHINGTON**, Nov. 6.—For weeks and weeks—nay, perhaps months—the election returns of November, 1936, will be studied and analyzed. For there can be no greater mistake than to outpouring of votes as "just another election."

The election cannot be simplified merely as a personal triumph for a man. For, complimentarily as this may be,

there is something deeper and more fundamental than a personal tribute in the election returns. Maybe Mr. Roosevelt himself will come to realize it in due time and will join those who feel just a bit apprehensive rather than those who feel jubilantly confident that all is well and will be well.

One thing stands out clearly already—the campaign was a battle of forces which Mr. Roosevelt more keenly sensed than any other man in America. Whether he will be able to control and guide the forces he has marshalled at the polls, whether through state and federal political machines he can exercise restraints and lead the masses who came to the polls, depends not a little on his own strategy, but even more perhaps on the political opportunities that will be opened up to a new opposition which may be tempted now to out-Hero the Herods of clime warfare.

Today, the people in the low income groups have discovered that the government has pledged itself, in effect, to care for them either by direct dole or by providing created work. Likewise, the "haves" have been attacked as "economic royalists" and "selfish forces" and as having too great a share of the nation's income.

Are we approaching the "pure democracy" which Lord McCaulay prophesied for us 20 years ago?

It is significant to read, in the light of Tuesday's election returns, the words of Lord McCaulay's letter to H. E. Randall, written from London in May, 1857:

"... I have long been convinced that institutions purely democratic must, sooner or later, destroy liberty or civilization, or both."

In Europe, where the population is dense, the effect of such institutions would be almost instantaneous. What happened late in France is an example. In 1848 a pure democracy was established there. During a short time there was a strong reason to expect a general spoliation, a national bankruptcy, a new partition of the soil, a maximum of prices, a ruinous load of taxation laid on the rich for the purpose of supporting the poor in idleness. Such a system would, in 20 years, have made France as poor and as barbarous as the France of the Caroleanians.

"Happily the danger was averted and now there is a despotism, a silent tribune, an enslaved press, liberty is gone, but civilization has been saved. I have not the smallest doubt that if we had a purely democratic government here the effect would be the same. Either the poor would plunder the rich and civilization would perish, or order and property would be saved by a strong military government, and liberty would perish.

"I seriously apprehend that you will, in some such season of adversity as I have described, do things which will prevent prosperity from returning; that you will act like people in a year of scarcity, devour all the seedcorn and thus make the next year not of scarcity, but of absolute distress. The distress will produce fresh spoliation. There is nothing to say you. Your constitution is all sail and no anchor."

"As I said before, when society has entered on this downward progress, either civilization or liberty must perish. Either some Caesar or Napoleon will seize the reins of government with a strong hand or your republic will be as fearfully plundered and laid waste by barbarians in the twentieth century as the Roman empire was in the fifth; with this difference,

that the Huns and Vandals who ravaged the Roman empire came from without, and your Huns and Vandals will have engendered within your country by your own institutions. . . ."

**EXPERIENCE**

While this may be a good sign for the immediate future, it certainly is not for the long run. The best laws are usually those hammered out on the anvil of an alert opposition seeking to eliminate defects and to promote moderation.

For another thing, Mr. Roosevelt can hardly be expected to keep his associates say his second inaugural speech will be modeled more upon the tone of the Lincoln and Jefferson second inaugurations, rather than upon the tone of the Madison Square Garden campaign speech.

They expect the president to make a strong effort, at the outset, to compose what little ill-feeling may have outlasted the campaign.

Responsibility, therefore, will rest more completely upon him than it has in the past two years, and the planning of his course of action may be more difficult than heretofore. If he happens to be in error, it will just be too bad.

**GOOD SIGNS**

All the inner and outer signs in Washington seem to point toward highly encouraging business developments from here in the immediate future. In fact, there is increasing talk of a big spring boom.

The sweep of the president's

sharp political bickering. An ad-

ditional journal of politics is in pros-

pect for a year. Furthermore, there are no economic or political hang-

overs from the election. Mr. Roose-

velt made no promises. The Re-

publican issues were backed by

possibly 18,000,000 voters, but not

enough to justify any substantial

resistance to the Roosevelt program

in the next session of Congress.

As one pro-Republican publicity

worker mourned after the congres-

sional results came in:

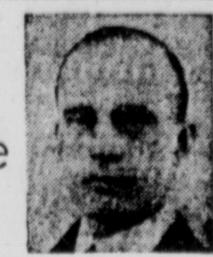

"We hardly have anyone left in

government to issue a statement."

"But the time will come when

**SUBSCRIPTION RATES**—By carrier, \$7.00 per year; \$3.75 for 6 months; 65c per month. ## Thoughts On Modern Life

BY GLENN FRANK

### RELAXING THE PEOPLE'S DILIGENCE

Long ago Ralph Waldo Emerson wrote the following words which have pertinence now:

"The harvest will be better preserved and go farther, laid up in bins, in each farmer's corn-barn, and each woman's basket, than if it were kept in national granaries."

"In like amount of money will go farther if expended by each man and woman for their own wants, and in the feeling that this is their all, than if expended by a great Steward, or National Commissioners of the Treasury."

"Take away from me the feeling that I must depend on myself, give me the least hint that I have good friends and backers there in reserve who will gladly help me, and instantly I relax my diligence."

"A lot of water has gone over the wheel since Emerson wrote these words. There are some things that even the sturdiest individualism cannot do today, but the crucial

importance of conserving the quality of diligence in ourselves as a people is no less.

It is heartening to find a heart in government. The pages of history are black enough with heartless governments that have made pawns of their people. But government can cut the nerve of diligence and self-reliance in a people by cultivating in them an unhealthy dependence upon government.

The pressure upon politicians to outdo each other in offering to "do things for the people" is well-nigh irresistible.

One candidate after another does little more than go about the country auctioning the government off to the heartiest askers among the pressure groups.

There is peril here.

If a people trusts too much to "good friends and backers" in Washington their diligence may go a-glimmering.

## OUR CHILDREN

BY ANGELO PATRI

### ESSENTIALS

Book education without other essential experiences makes children one-sided, makes it difficult for them to adjust themselves to the demands of every day living. Some time must be left in the day—after, before and in between school duties—for these essentials of education. I am thinking particularly about the girls in high schools.

All girls, as well as all boys, should have as complete an education as they can take, so high school and college should be open to them. But along with these opportunities should be these others, equally as important. Girls are going to be women and live womanly lives. Most of them are going to head homes, rear children, use the money that maintains the home. For this they must have experiences that educate them in this field. Girls do not become good wives, fine mothers, good housekeepers overnight. Domestic life is an art in itself and is long in the making.

The courses of study, the required amount of work often are set without regard to these essentials. The girls have almost no time left for learning the ways of the household, for practicing skills in household arts like cooking, cleaning and sewing. Homework takes up all the time that is spent at home. The girls are tired when they get home and after a short rest they must set to work for bedtimes comes early for them. Even sleep is cut down to accommodate some school programs.

This is not the report of the dual children, the slow or the misplaced students. Usually it is the story of the earnest, intelligent student who wants to maintain a high standing. That student's entire waking time is devoted to school and school interests. Of necessity the student, especially the girl student, becomes one-

sided, gives first importance to books, to rules that are set in the book. It is not in the book it is not so.

Now there is a wisdom, an art, that cannot be bound up in a book. It transcends all books, for it is the expression of deep-seated tastes, emotions and desires. It springs from human hungers for home, beauty, service to loved people and things. This art of living is fostered by the women of the race. They make the homes, the children that carry the homes, the infinite variety of activities that keep home the living, lovely ideal that is in the hearts of men and women the world over.

It is highly important that girls have the time, the leisure to study and practice homemaking. Every girl ought to know how to run a house in all its departments. Every girl should have the chance to learn how to make home the ideal place it ought to be, not by the book, but by actual work in the house and the home. Books will help, but the work of the actual situation is what teaches.

I would not leave the boys out, for they have an equal share in homebuilding and homekeeping. They need to know how to do all that is necessary to be done in a home so that they can help in emergency and what is quite as important, appreciate what is done by the partner in their homes. Homework lessons that eat all the hours of a child's day is overdone and very wasteful of precious essentials. Rich living demands rich experiences.

(Mr. Patri will give personal attention to inquiries from parents and school teachers on the care and development of children. Write him in care of this paper, enclosing a three cent stamped, self-addressed envelope for reply.)

## Little Benny's Note Book

BY LEE PAPE

### THE WEEKLY NEWS

Weather, Windy.

### BITTNESS AND FINANCIAL

Saturday afternoon Mr. Lucky Leroy Shooster lost a celluloid button saying Francis Z Malloney for Magistrate on it somewhere out in the back alley, and he was kind of tired of it but he started to hunt for it just for luck, and while he found a empty key ring, a half of a watch chain and all of a dog chain, a little comb in a case and 9 rubber bands
